REQUESTED ACTION:
Approve the Agreement with The School Board of Broward County, Florida and Alternate Educational Systems, Inc.

SUMMARY EXPLANATION AND BACKGROUND:

The Agreement is renewed on an annual basis. The Agreement provides for the provision of required educational services to youth participating in residential treatment programs operated by Alternate Educational Systems, Inc. The Community Provider serves students in a residential treatment program that are not able to attend a school operated by The School Board of Broward County, Florida (SBBC) District. The educational curriculum is provided by the SBBC District and is integrated into the therapeutic services of the programs. Referrals to the programs come from Department of Children & Families, the courts, parents, medical facilities and physicians. Each provider uses the state definition of medical necessity as a guide to determine individual treatment, educational plans and length of stay at each site.

The Agreement has been reviewed and approved as to form and legal content by The Office of General Counsel.
