SUMMARY EXPLANATION AND BACKGROUND:
The Agreement is renewed on an annual basis. The agreement provides for the provision of required educational services to youth participating in a day treatment program operated by Smith Community Mental Health, Inc. Referrals to the program come from Department of Children & Families, the courts, parents, medical facilities and physicians. The provider uses the state definition of medical necessity as a guide to determine individual treatment, education plans and length of stay. The agreement has been reviewed and approved as to form and legal content by the Office of the General Counsel.
