

EXECUTIVE SUMMARY

Authorization to Conduct a Spot Survey to Amend the Plant Survey and Enable the Repurposing of Millennium Middle School

Millennium Middle School was constructed in 2001 and is located at 5803 NW 94 Avenue, Tamarac, Florida 33321 (Parcel 260). Currently, it is designated as a middle school grade 6 through grade 8 in the Educational Plant Five Year Survey Report, Broward County School District-2015-2020 (Plant Survey). The intent of the spot survey is to align the use of the facility in the District's Plant Survey with the Boundaries Public Hearing II as presented on March 22, 2017, based upon staff's review of boundary considerations, community input, and School Board discussion.

Upon authorization by the School Board to conduct the spot survey, staff will submit the survey to the Florida Department of Education for validation of the Plant Survey, and upon such validation, Millennium Middle School will be deemed repurposed for the desired use, and thereafter, enable the facility to be utilized for the proposed use.
