Project Description	This continuing agreement with The City of Miramar will provide Emergency Medical Responder/ Firefighter 1 clinical experiences to Everglades High School Health Science students, enrolled in the “Introduction to Firefighting Program”. On-site clinical experiences are necessary to meet Florida Department of Education mandatory student’s performance standards. This agreement also addresses the requirements of regulatory agencies for students to qualify for certification/ licensure examinations upon program completion that will enable them to pursue this career field.
Evaluation Plan	CTACE department will monitor success of this program by student enrollment, number of industry certifications earned, and results from a CTACE created survey that will be completed by program instructors and students. Results from this survey will analyzed for continuous improvement of program design.
Research Methodology	Analysis and review of workforce state reports indicate an increase in Health Science job demands.
