Managing Department/ School	Department of Equity and Academic Attainment, David Watkins, Director, 754-321-1600
Project Description	This educational program services male and female students between the ages of 14-19, in a day treatment, conditional release program from commencement of board approval. The Department of Equity and Academic Attainment is responsible for the educational and administrative support services for the students who are under the supervision of the Department of Juvenile Justice. The educational services follow an alternative 230-student contact day calendar as required by Florida Statute 1003.01.
Evaluation Plan	SBBC will annually assess student achievement using District and State approved assessments such as the Florida Standards Assessment (FSA), End of Course Exam (EOC), number of High School Diplomas awarded, number of High School Equivalency Diplomas awarded, number of High School credits awarded, as established by the Florida Department of Education, number of Industry Certification awarded, and post-secondary career opportunities: Six High School Diplomas awarded; 142 High School credits awarded; 43 Industry Certificates awarded; 120 students enrolled in job-training/vocational courses/programs; and 27 students obtained employment.
Research Methodology	Florida State Statutes 1003.27 and 1003.51 support the rationale of this program, which mandate that the Department of Juvenile Justice and local school district collaborate to provide a free and public education to all youth in juvenile justice settings.
