FF-3 Contractual Agreements with 14 Apprenticeship Agencies for Instructional Services offered through Atlantic Technical College from July 1, 2015 through June 30, 2018. (summary explanation and background con't.)

Atlantic Technical College offers the largest Apprenticeship Program in the State, serving more than 2,200 apprentices in twenty-one trade areas, including SBBC's District Maintenance department. This enrollment represents nearly 30% of all apprenticeship students statewide. Each program is registered with the state according to established apprenticeship standards and is reviewed by the State periodically for quality assurance and compliance.

The agreements provide funding for program recruitment; instructional materials and supplies; equipment upgrade, replacement and repair; other supervisory and administrative costs to include, but not limited to, required funds for the Industrial Cooperative Education (ICE) and the Related Instruction (RI) components of the program.

EXECUTIVE SUMMARY

Below is an executive summary for the renewal of agreements with fourteen apprenticeship agencies funded through the State Workforce Development Fund. These apprenticeship agreements support students enrolled in various instructional programs at Atlantic Technical College and distinguishes our District as the largest registered apprenticeship program sponsor in the State of Florida.
