

## **EXECUTIVE SUMMARY**

### **License Agreement With The State of Florida Department of Transportation**

The Florida Department of Transportation (FDOT) is currently engaged in highway improvements along University Drive, in Broward County. FDOT is seeking temporary access to enter upon the school grounds of Tamarac Elementary School for the sole purpose of performing sidewalk improvements (reconstruction, sloping, grading, tying in, and harmonizing and reconnecting the existing features with the highway improvements).

This License Agreement will not convey any interest in the property to FDOT. This License Agreement only allows FDOT to enhance SBBC property. All cost associated with the improvement will be at the sole expense of FDOT, and upon completion, provide for a more aesthetically pleasing corridor.
