Goals/Indicators	Scoring Rubric			
Goal 1: Leadership/Management (40%)	Highly Effective 4 points	Effective 3 points	Needs Improvement 2 points	Unsatisfactory 1 point
Ensure a high-functioning school system through quality leadership and collaboration with the School Board, staff, and stakeholders. Create conditions that result in strategically reimagining the district's vision, mission, and goals to ensure that every student graduates from high school globally competitive for work and postsecondary education and prepared for life in the 21st century.	X			
Maintain a climate that promotes open dialog with school administrators, teachers, students, and staff on issues of teaching and learning.	<p>Comments:</p> <p>Mr. Runcie's continuous advancement of programs throughout the District reflects his ability to provide strong leadership. His leadership team is a critical component to allow him to implement and grow these programs. Mr. Runcie continues to demonstrate a positive, supportive approach with Senior Staff, the Board, school-based staff and our students and families. There is a cohesive direction in senior management's approach to expanding programs such as debate, CTACE, and our dual language. Additionally, a dramatic change in how we approach middle school education also requires a strong leadership approach to undertake such a significant education delivery method. He provides senior staff flexibility as well as support. The key element to successful schools is found in strong school leadership, principals, and the model Mr. Runcie has implemented to support our principals continues to allow positive change at our schools.</p>

Goal 2. High Quality Instruction (25%)	Highly Effective 4 points	Effective 3 points	Needs Improvement 2 points	Unsatisfactory 1 point
Improve student performance by focusing on raising academic rigor in teaching and learning among staff and students, and preparing students and staff for global competitiveness.		X		
Implement the transition to the Common Core State Standards and academic rigor that focuses on learning and excellence for schools and students.	<p>Comments:</p> <p>The Board continues to challenge Mr. Runcie to improve educational opportunities that are already in place as well as establish new ones. This focus has resulted in improved testing for our students, at all grade levels, across the District. Mr. Runcie is strategically focused on reaching each student where they are in order to effectuate the best educational approach for individual learning styles by focusing on evaluating student achievement throughout the school year and differentiating educational delivery. Constant improvements in the Professional Development that the District offers has been important and needs to continue to develop.</p>			
Apply effective methods of providing, monitoring, evaluating, and reporting student achievement to improve the learning process.				
Promote instructional strategies that include cultural diversity and differences in learning styles.				
Implementation of instructional and administrator evaluation systems focused on improving instructional and leadership practice.				
Support a broad range of academic and enrichment opportunities for all students focused on the development of well-rounded students.				
Analyze available instructional resources and assign them in a cost effective and equitable manner to enhance student outcomes.				
Promote the success of all students by ensuring management of the organization, operations and resources for a safe, efficient and effective learning environment.				
Improve outcomes for all students while reducing achievement gaps among subgroups, especially young Black male students.				
<p>Suggested Evidence and Artifacts:</p> <ul style="list-style-type: none"> • Student Achievement/Performance Data • Implementation plan for Common Core State Standards • Implementation plan for instructional and administrator evaluation systems • Development and implementation of professional learning opportunities, plans and support systems to improve instruction and implement Common Core State Standards and Marzano instructional practices • Development and implementation of initiatives/programs that support a well-rounded education that meet the social, cultural, and academic needs of students • Utilization of quality assessments and interventions to enhance achievement

Goal 3. Continuous Improvement (20%)	Highly Effective 4 points	Effective 3 points	Needs Improvement 2 points	Unsatisfactory 1 point
Align resources and develop an organizational structure that supports operational effectiveness and efficiency to implement the District priorities focused on improving student achievement and business processes.	X			
Update and implement the District vision, mission, priorities and strategic plan that will serve as a system framework focused on comprehensive outcomes and measures.	<p>Comments:</p> <p>Mr. Runcie continues to stay on-point as he remains focused on the District's vision, mission and priorities, as he expands new programs and introduces new educational opportunities. Many of the issues the District faced, regarding implementing the Bond projects, have been addressed and continuous program is being made to improve delivery of the Bond promises. Single source access, for students and parents, has been a strong area of improvement as navigating all of the educational opportunities and information are accessed.</p> <p>Monitoring and maintaining accurate records of Bond dollars needs to continue and working with the oversight committee is critical in this capacity. It will remain critical that we monitor rising construction costs and explore every opportunity to achieve cost avoidance. Transparency of how and where funds are being used has continued to improve under Mr. Runcie's leadership.</p>			
Assess programs and organizational functions to redirect resources to maximize school improvement and focus on critical functions.				
Continue a quality strategic planning process that will forge critical partnerships, community and District relationships, translating the strategic plan into reality.				
Implement appropriate leadership and performance management techniques to define roles, assign functions, and to determine accountability for attaining organizational goals.				
Work collaboratively with the Board and appropriate staff to determine priorities for balancing the budget and for effective allocation of resources.				
Demonstrate budget management including financial forecasting, planning, cash flow management, account auditing, and monitoring.				
Develop, implement, promote, and monitor continuous improvement processes.				
Suggested Evidence and Artifacts:				
<ul style="list-style-type: none"> • Strategic Plan and progress of the plan, including the articulation, implementation, stewardship and promotion of the strategic plan • Development and implementation of a performance management system • Improved budget process incorporating enhanced planning, communication and resource distribution • Development and implementation of innovative and entrepreneurial programs • Analysis and recommendations for improvements to the organizational structure • Redirection of resources to support schools • Use of audits to improve practices and accountability

Goal 4: Effective Communication (15%)	Highly Effective 4 points	Effective 3 points	Needs Improvement 2 points	Unsatisfactory 1 point
Increase the effectiveness of internal and external communication with stakeholders to improve the District's image, as well as marketing initiatives that will lead to greater understanding and trust among and between, all facets of the District, community, and the School Board.		X		
Promote stakeholder involvement while establishing a communication system that effectively conveys District successes.	<p>Comments:</p> <p>Communication has improved significantly in many areas of the District. Mr. Runcie and his senior staff's visibility at school sites has resulted in positive impressions as our schools. Social media has been a strong focus and has also been successful. Multiple forms of communication is key to the highest level of effectively reaching our families and students. Communication is always a challenge and one that we should continue to be exploring with each department looking at their unique opportunities to engage our stakeholders. Communication with our staff continues to be an area that we can see improvement. We need to make sure information is disseminated timely and to all staff. A standard school website platform is a step forward, but delays in resources such as Pinnacle continues to create issues as it relates to communicating effectively.</p>			
Develop formal and informal techniques to obtain external and internal perceptions of the District by means of surveys, listening tours, and personal contacts.				
Promote and communicate system priorities using a variety of communication tools.				
Design and implement a comprehensive communications plan.				
Solicit opinions/feedback from stakeholder groups and individuals and adjust actions as appropriate.				
Develop and maintain meaningful, respectful and cooperative relationships with the media, municipality, county, community and legislative representatives.				
Provide a visible presence throughout the district and the community.				
<p>Suggested Evidence and Artifacts:</p> <ul style="list-style-type: none"> • Climate Surveys • Comprehensive communications plan • Outreach efforts to increase parent input and involvement • Outreach efforts to engage the community and businesses • Outreach efforts and collaboration with municipalities, universities, and legislative groups • Communication tools that enhance communication and customer service • Newsletters and public engagement documents designed to strengthen connections to the community
