TITLE:
Program Agreement with the Partnership for Leaders in Education (University of Virginia Darden School Foundation)

REQUESTED ACTION:
Approve the Agreement between The School Board of Broward County, Florida, and the University of Virginia Darden School Foundation, on behalf of the Darden/Curry Partnership for Leaders in Education.

SUMMARY EXPLANATION AND BACKGROUND:
The University of Virginia Darden School Foundation in partnership with the Darden/Curry Partnership for Leaders in Education (PLE) has developed the University of Virginia School Turnaround Program and is providing executive education programs, materials, and services to education leaders engaged in executive school turnaround initiatives. The District wishes to contract with the PLE so that select District personnel may participate in the University of Virginia School Turnaround Program. This Agreement has been approved as to form and legal content by the Office of the General Counsel.

SCHOOL BOARD GOALS:

Goal 1: High Quality Instruction Goal 2: Continuous Improvement Goal 3: Effective Communication

FINANCIAL IMPACT:
The cost to the District is to be confirmed as it is dependent on the number of schools served. The PLE typically expects at least five schools per large urban district to ensure a critical mass of schools. In a large urban school district like Broward County, having a critical mass of schools (five-to-seven) involved promotes strategic prioritization by the district and true cross-learning that can have a lasting impact.
