

EXECUTIVE SUMMARY

Recommendation to Reject all Bids 18-099C - Fire Alarm Services

This request is to approve the recommendation to reject all bids regarding Request for Proposal (RFP) 18-099C - Fire Alarm Services.

Procurement & Warehousing Services (PWS) released this RFP with the intention of replacing the existing Invitation to Bid (ITB) 14-081F. After careful evaluation of the bids, it is in the best interest of the District to renew ITB 14-081F, rather than award RFP 18-099C. PWS and the Evaluation Committee negotiated with the existing Awardees to renew for one (1) additional year, with the same prices and terms and conditions.
