and

JIGSAW LEARNING, LLC

(doing business as Teachtown)
(hereinafter referred to as "Teachtown"),
whose principal place of business is
330 West Cummings Park, Woburn, MA 01801

WHEREAS, Teachtown provides a research and evidence-based intervention for preschool through middle school students with moderate to profound disabilities and the program name is Teachtown: Basics; and

WHEREAS, Teachtown: Basics is a blend of online software and offline staff-led lessons with sophisticated data tracking and reporting; and

WHEREAS, SBBC desires to implement Teachtown: Basics on a greater scale with SBBC's more intensive Pre-K students, and

WHEREAS, Teachtown desires to provide the program and related services to SBBC,

NOW, THEREFORE, in consideration of the premises and of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties hereby agree as follows:

ARTICLE 1 - RECITALS

1.01 **Recitals.** The parties agree that the foregoing recitals are true and correct and that such recitals are incorporated herein by reference.

ARTICLE 2 – SPECIAL CONDITIONS

2.01 **Term of Agreement.** Unless terminated earlier pursuant to Section 3.05 of this Agreement, the term of this Agreement shall commence upon the execution of both parties and conclude on June 29, 2018.

2.02 **Online and App-Based Lessons.** Teachtown shall provide SBBC access to Teachtown: Basics on platforms of SBBC's choosing including browser-based from any desktop or laptop computer, I-Pad (3rd generation or higher), and Chrome App on Chrome Books or any other desktop or laptop device. Such access will be provided to SBBC 24 hours a day, seven days a week during the term of this Agreement. Furthermore, access shall be provided to SBBC students at home or any other setting where SBBC students receive services of any type at no additional cost. SBBC may mix/match choices of devices so that no SBBC student is tied to only one device. Teachtown: Basics delivers over 500 lessons and newly added lessons are available to SBBC as soon as they are deployed at no additional cost. Teachtown: Basics is adaptive and continuously adjusts to students' learning levels as needed so students are always working through skills at a difficulty level appropriate for them.

2.03 **Off-Computer Lessons.** Teachtown shall provide SBBC over 300 "generalization lessons" suitable for use during the school day, at home, or any other setting where SBBC students receive services of any type. Teachtown off-computer lessons provide students the opportunity to generalize, or transfer, skills mastered on the computer into the naturalistic setting.

2.04 **Assessment Tools.** Teachtown: Basics provides the most powerful data capture functionality of any program of its kind. For on-computer lessons, every click of the mouse is tracked enabling SBBC to measure usage and progress in real-time. This de-identified data is tagged to allow SBBC to know which educational setting each student is in when working through their lessons. For off-computer lessons, Teachtown: Basics includes an easy to use assessment toolset allowing SBBC staff to capture observed skills with basically only two-three clicks or touches of a tablet device.

2.05 **Reports.** Because of the richness of the de-identified data collected, Teachtown provides a large number of customizable reports which will provide SBBC key progress and usage metrics as soon as students start using the program. Such reports are an important element in differentiating student instruction, reporting progress against student IEPs, and identifying staff that may be in need of support using the program. These reports have proven highly valuable to parents and school districts have found they provide near irrefutable compliance data when needed.

2.06 **Training & Coaching.** Teachtown shall work with SBBC to customize the professional development activities that best meet the needs of SBBC students and staff. Teachtown shall provide four (4) training days at the dates and times of SBBC's choosing. Teachtown shall also deliver, at the dates and times of SBBC's choosing, twenty (20) in-classroom coaching days working side-by-side with SBBC staff to ensure the highest implementation fidelity possible. Additionally, online video tutorials are provided in addition to in-classroom training and coaching allowing for persistent on-demand refresher training at no additional cost.

2.07 **Disclosure of Education Records by SBBC.** SBBC will disclose de-identified student information regarding pre- and post-assessments – including but not limited to – scores measuring students’ adaptive, cognitive, and social/emotional skills as well as students’ abilities in language arts, language development, and mathematics to Teachtown. The student population whose de-identified information will be shared includes preschoolers attending one of the preschool programs for students with intensive special needs.

2.08 **Support.** SBBC shall have access to a Teachtown’s Client Services Representative to provide help and support from the hours of 8:30 am to 8:00 pm ET.

2.09 **Payment.** SBBC will pay Teachtown \$132,380 for 10 on-site Basics Coaching training and 2 on-site Basics Training days and 670 student licenses which will run from November 8, 2017 through June 29, 2018 but starting on a date of SBBC’s choosing as specifically indicated in this Section. Licenses are re-assignable and SBBC may move licenses from child to child as needed to consider transfers in/out of district and other educational needs. Upon receipt of a valid SBBC purchase order, Teachtown will submit a proper and appropriate invoice in the amount of \$109,880 for the student licences and SBBC will pay Teachtown within 30 days of receipt of such invoice. Additionally, subsequent to satisfactory completion of onsite Basic Coaching Training per SBBC staff, Teachtown will submit a proper and appropriate invoice(s) in the amount of \$1,750 per onsite Basic Coaching Training session and SBBC will pay Teachtown within 30 days of receipt of such invoice(s). Finally, subsequent to satisfactory completion of onsite Basic Training per SBBC staff, Teachtown will submit a proper and appropriate invoice(s) in the amount of \$2,500 per onsite Basic Training session and SBBC will pay Teachtown within 30 days of receipt of such invoice(s).

2.10 **Contact Information.** SBBC will provide to Teachtown a list of all schools using the Teachtown program, along with the contact information (email, mailing address, and phone number) of the principal or director of each school or site.

Teachtown will identify the M/WBE firm that provide a commercial useful function, products and/or services in performing this contract agreement.

2.12 **Inspection of Teachtown Records by SBBC.** Teachtown shall establish and maintain books, records and documents (including electronic storage media) sufficient to reflect all income and expenditures of funds provided by SBBC under this Agreement. All Teachtown Records, regardless of the form in which they are kept, shall be open to inspection and subject to audit, inspection, examination, evaluation and/or reproduction, during normal working hours, by SBBC’s agent or its authorized representative to permit SBBC to evaluate, analyze and verify the satisfactory performance of the terms and conditions of this Agreement and to evaluate, analyze and verify any and all invoices, billings, payments and/or claims submitted by Teachtown or any of Teachtown payees pursuant to this Agreement. (f) Overcharges and Unauthorized Charges. If an audit conducted in accordance with this Section discloses overcharges or unauthorized charges to SBBC by Teachtown in excess of two percent (2%) of the total billings under this Agreement, the actual cost of SBBC’s audit shall be paid by Teachtown.
