EXECUTIVE SUMMARY

Continuation of the Interagency Agreement with The School Board of Broward County, Florida, The Department of Juvenile Justice, Circuit Seventeen, and The Florida Department of Children and Families

The initial Interagency Agreement was approved on August 16, 2011. The Department of Juvenile Justice and Florida Department of Children and Families are required by Florida Statute 1003.27(4) to enter into a cooperative agreement with the School Board for the purpose of defining each department's role, responsibility and function in working with habitual truants and their families.

The District shall provide student information as per statute and rule and as defined by this agreement. The intent of all the parties is the reduction of truancy in Broward County.

The renewal process was initiated in May 2017; however, due to the numerous changes from our partners the final agreement was signed in October 2017.

There is no financial impact to the school district.

The last agreement was signed 10/18/16 F-1.
