

## **CONTINUATION OF SUMMARY EXPLANATION AND BACKGROUND**

**FF-3.** BPL will continue to assist South Plantation High School in executing their ideas on high school design as presented at last year's Ed Talk event. This collaborative effort continues to develop personalized college and career course options that include work based learning and internships.

BPL assists the Principal and staff in examining their school design; developing adaptations with the Broward County School district strategies; and collaborate and communicate with Administrators, staff, students, parents, and the business community.
