

## EXECUTIVE SUMMARY

Below is an executive summary for the Agreement between The School Board of Broward County, Florida and The Big Picture Company d/b/a Big Picture Learning (BPL), which supports the academic and personal enrichment of students, enrolled at South Plantation High School.

Program	The Big Picture Company d/b/a Big Picture Learning (BPL)
Status	Approve the Agreement between The School Board of Broward County, Florida (SBBC) and The Big Picture Company d/b/a Big Picture Learning (BPL) for services provided to South Plantation High School. The term of this agreement shall be for a period of (1) year from the date it's fully executed by both parties.
Funds Requested	\$50,000
Financial Impact Statement	There is a financial impact of \$50,000. The source of funds is South Plantation High School Budget. There is no additional financial impact to the District.
Schools Included	South Plantation High School
Managing Department/School	Career, Technical, Adult and Community Education (CTACE) Department
Source of Additional Information	Enid Valdez 754-321- 8444
Project Description	<p>SBBC will contract with BPL to work with South Plantation High School by Principal and school leadership consensus to be provided specific technical assistance and program development services to personalize college and career course options for students that include project based learning, work based learning and internships. BPL shall assist leaders in examining their school design; developing adaptations with the Broward County School district strategies; engaging and communicating with faculty, administrators, parents, business representatives, and the community to continue to understand and collaborate on school design that will personalize learning and benefit students and their families.</p> <p>BPL services shall include: 1-school, program, and curriculum designs, 2- parent, business, and community engagement programs, 3- principal training/coaching, 4- staff training/coaching, 5- student recruitment.</p>
Evaluation Plan	Through the BPL process, students are asked to present their learning via presentation and collaboration with mentors and peers. This will assist in identifying acceleration and areas needing additional assistance with continued student enrollment and program growth as evidenced through scheduling.
Research Methodology	Evaluation of the success of each participating school is completed annually by BPL officials, as well as school and district based personnel.
