NOTES (Type Below):

The amount expended under the current contract 15-082T, expiring December 31, 2017, represents the purchase of two (2) refuse compactors. The amount of spend authority being requested for the new contract 18-121T, as detailed in the Executive Summary, represents a tentative forecasted purchase of five (5) refuse compactors for the calendar year 2018.

Prices for refuse compactor vary according to size.

Prices used in the Executive Summary for the new contract 18-121T, are reflective of actual prices as submitted by the recommended awardee.
