Witnesseth:

WHEREAS, the Board and the BTU-ESP have negotiated in good faith, with the BTU-ESP acting as the exclusive agent for the educational support professionals included in the certified unit with respect to wages, hours, and terms and conditions of employment, and

WHEREAS, the parties, following extended and deliberate negotiations, have reached certain understandings which they desire to confirm in this Agreement.

In consideration of the following mutual covenants, it is hereby agreed as follows:

## **PURPOSE AND INTENT**

It is the purpose of this Agreement to provide, where not otherwise provided by the Constitution of Statutes of the State of Florida or Board policies, for the wages, hours and terms and conditions of employment of the employees covered by this Agreement, assure the continuous and efficient operation of the school system, and to provide an orderly, prompt, peaceful and equitable procedure for the resolution of differences between employees and the District; however, this section shall be applied in accordance with Article 18 (c) of this Agreement and nothing provided herein shall deprive employees of their rights under F.S. 477.301.

**ARTICLE 1**  
**Recognition**

- A. The Board recognizes the BTU-ESP as the sole and exclusive bargaining agent for the bargaining unit of employees as certified by the Public Employees Relations Commission in Case No. AC-2009-008, Certification No. 295, CERTIFICATION OF REPRESENTATIVE FOLLOWING VOLUNTARY RECOGNITION AND ORDER TO NEGOTIATE, issued by the Florida Public Employees Relations Commission on the twenty-fifth day of March, 2009, as amended:

EXCLUSIONS: All other employees of The School Board of Broward County."

- B. **Definitions:** The terms listed below, when used in any provisions of this contract, shall be defined as follows:

1. Employee - Any employee in the BTU-ESP bargaining unit as defined and certified by Public Employees Relations Commission (PERC). Employees may also be referred to as bargaining unit members.
2. Superintendent - The Superintendent of the District or his/her designated representative.
3. District - The School District of Broward County, Florida.
4. Immediate Supervisor - The person in an administrative or supervisory position directly responsible for the supervision and direction of an employee and to whom the employee is directly responsible. An immediate supervisor shall be a person who is not a member of the bargaining unit represented by BTU-ESP. For purposes of grievance processing, the immediate supervisor shall be a school principal or center director.
5. Seniority - For purposes of this Agreement, seniority shall be defined as the longest uninterrupted service in the bargaining unit commencing upon completion of the employee's probationary period

unless defined differently in a specific provision of this Agreement. Service shall not be deemed to be interrupted by any leave approved and granted pursuant to this contract. An employee who leaves the unit for any position in the District or who is on layoff status retains earned seniority if he/she returns to the bargaining unit within one (1) year, and upon return, shall assume the accumulation of unit seniority.

Such seniority being equal between or among two (2) or more employees, the additional criteria to be used, in the following order, shall be:

- a. the longest total service in a BTU-ESP bargaining unit position in the District;
  - b. the longest total service in any permanent position of employment by the District;
  - c. the earliest date of application for any position of employment by the District.
6. Probationary Employee — For a newly hired employee, whether full-time or part-time, the probationary period shall be one hundred thirty one (131) workdays. During said probationary period, the Board may suspend, terminate, or discipline a probationary employee for any reason whatsoever except for lawful union activities. No claim will be made by the employee or by the BTU-ESP that the action was improper (See Article 6- Section Q).

Probationary employees shall be eligible for insurance coverage after completing their forty-fifth (45th) workday. Probationary employees shall accrue sick leave, but shall not be able to utilize the leave until their seventy-fifth (75th) workday. Should the employee be terminated prior to the completion of their full probationary period, all leave shall be returned to the School Board.

7. Permanent Full-Time Employee - An employee who has satisfactorily completed his/her probationary period of employment, as defined in Section 6 above in a position which has no predetermined termination date and calls for the employee to work as defined in Article 6 of this Agreement.
8. Regular/Permanent Part-Time Employee - An employee who has satisfactorily completed his/her probationary period of employment as defined in Section 6 above in a position which calls for the

employee to work less than the normal work week but at least twenty (20) hours per week.

9. Temporary Full-Time or Temporary Part-Time Employee - An employee who has a predetermined termination date or who is hired exclusively for cafeteria duty as provided in Article 6, Section B.

A temporary employee, except employees hired for cafeteria duty shall be automatically terminated by the School Board after one hundred twenty (120) workdays of temporary status, except when the employee is replacing a bargaining unit employee on disability income, workers compensation, or maternity leave. Temporary employees shall not be eligible for any fringe benefits (i.e., paid holidays, annual leave, sick leave, retirement, etc.).

10. Vacancy - When a permanent employee is sought to fill a permanent position.
11. Administrator - The Superintendent, Chief Officers, principals, directors or their subordinate managers or supervisors responsible for the various levels of administrative duties.
12. Substitute - A casual employee who replaces a permanent employee absent from duty as defined in Article 1, B-7.
13. Administrative Designee - An administrator designated by the school principal or chief supervisory administrator.

C. **Bargaining Unit Clarification:**

1. The BTU-ESP shall be notified prior to changes in position titles. The parties agree that changes in position classification titles only shall not affect membership in the bargaining unit. Either party may seek an amendment to the certification of the bargaining unit to include new titles and exclude those no longer in use.
2. The BTU-ESP shall receive copies of new noninstructional job descriptions approved by the Board, with an indication of whether such positions are to be included in the BTU-ESP bargaining unit.

It is further agreed that as new position classifications are created by the Administration and the Board, the questions of inclusion within or exclusion from the bargaining unit shall be determined by reference to the Recognition Article of this Agreement and the job descriptions of those classifications. Where the parties agree that

new positions be included in the bargaining unit, they shall immediately seek an amendment to the certification of the bargaining unit to include the new certifications of employees. In the event the parties do not agree as to inclusion or exclusion, the BTU-ESP will immediately seek unit clarification from the Public Employees Relations Commission.

**ARTICLE 2**  
**Management Rights**

- A. It is understood and agreed that the District possesses the right and responsibility to operate and manage all schools, departments and programs, and to direct the work forces. The rights, powers, authority, and discretion necessary for the District to carry out these rights and responsibilities shall be limited only by the express terms of this Agreement and shall be exercised in a manner consistent with this Agreement and Florida Statutes. In matters not covered by this Agreement, the District shall have the right to make administrative decisions.
- B. Consistent with this Agreement, the management rights shall include, but not be limited to, the following:
1. Determine the purpose and mission of the Broward County School System, and the department and agencies under its jurisdiction.
  2. Set standards of service to be offered to the public.
  3. Establish employee job descriptions.
  4. Direct its employees and establish standards of performance and conduct, including the right to make reasonable rules and regulations for the purpose of efficiency, safe practices and discipline.
  5. Introduce new, improved or different methods and techniques of operation or work procedure.
  6. Relieve employees from duty because of lack of work, lack of funds or for other legitimate reasons.
  7. Take disciplinary action for just cause. (Note: See Article 9, Employee Discipline).
  8. Hire, promote, transfer or assign employees.
- C. The parties agree that directing and managing the workforce is a management right. In the event that such an action occurs and that action shall impact the wages, hours, terms or conditions of employment, the District will notify the BTU-ESP as soon as possible after a decision has been made. Both parties shall collaboratively discuss the

implementation process to ensure that the impact to affected employees has been thoroughly discussed and reviewed.

**ARTICLE 3**  
**Procedure for Future Negotiations**

- A. **Mutual Commitment to Good Faith Negotiations:** Both parties agree to meet at reasonable times and places to negotiate in good faith effort to reach agreement in accordance with Florida Statute 447. During the course of negotiations, the parties or their designees agree to make proposals and counterproposals. Neither party shall be required to make a concession. Articles tentatively agreed to shall be initialed by each party and dated, and shall be set aside subject to ratification of the Agreement.
- B. **Requests for Meetings:** No sooner than ninety (90) calendar days prior to the expiration date of the negotiated Contract, either party may notify the other of a desire to commence bargaining. A request from the BTU-ESP should be made in writing to the Chairperson of the Board and/or Superintendent. A request from the Board and/or Superintendent should be made in writing to the President of the BTU-ESP. Within five (5) days of receipt of the request by the Board and/or Superintendent, a mutually convenient time and place for a meeting shall be established. The meeting shall take place no later than ten (10) days following the date of the receipt of the request. Additional meetings shall be agreed upon by the negotiation's representatives as may be necessary to complete an agreement.
- C. **Negotiation Teams:** Neither party in any negotiations shall have any control over the selection of the bargaining representatives of the other party. The parties mutually pledge that their representatives will be clothed with all necessary authority and power to make proposals, counterproposals and to reach tentative agreement on items being negotiated. The parties realize the Agreement shall only be effective subject to the ratification of the BTU-ESP and the School Board. The Negotiation/Labor Management team shall consist of no more than six (6) bargaining unit employees. Two (2) alternates may be assigned to attend sessions/meetings in the absence of a regular negotiations/labor management team member. The Negotiations/Labor Management team members shall be permitted to attend all negotiations/labor management sessions that occur during the regular work hours without loss of pay. However, no employee shall be paid overtime for sessions that extend beyond the regular workday. The BTU-ESP shall notify the Employee & Labor Relations Department at least twenty-four (24) hours in advance of that specific session when an alternate will be attending for a named regular team member, so that the proper release notification can be sent to the affected employee's work location.

- D. **Access for Information:** The Board agrees to make available to the BTU-ESP such public information as is requested by the BTU-ESP for developing meaningful negotiation proposals on behalf of the education support professionals, to gather information which may be necessary for the BTU-ESP to fulfill its obligation to effectively represent education support professionals in the processing of any grievance or complaint.
- E. **Labor-Management Meetings:** At the written request by representatives of the Board and the BTU-ESP a meeting will be held during the regular school year at a time convenient to both parties for the purpose of reviewing the administration of this Agreement and to resolve problems that may arise therefrom.

These meetings are not intended for the purpose of negotiations or to bypass the grievance procedure. Further, each party will submit to the other, at least twenty-four (24) hours prior to the meetings, an agenda covering what it wishes to discuss. Such meetings may be cancelled by mutual consent.

**ARTICLE 4**  
**Grievance Procedure**

- A. **Definition:** Any claim by an employee(s), or the Union, that there has been a violation, misinterpretation or misapplication of any provisions of this Agreement may be processed as a grievance, as hereinafter provided.

Nothing in this Article shall be construed to prevent a bargaining unit member from processing his/her own grievance in person through this grievance procedure and having such grievance adjusted without the intervention of BTU-ESP, if the adjustment is not inconsistent with the terms of this Agreement, and if BTU-ESP has been given reasonable opportunity to be present at any meeting called for the resolution of such grievance, and the BTU-ESP shall be provided with the resolution of such grievance in writing. However, only the Union may submit a grievance to arbitration.

- B. **Exclusive Rights:** The parties agree that the BTU-ESP has the exclusive right to process grievances under all steps of this grievance procedure, except that any bargaining unit member may process a grievance through said procedure if the BTU-ESP expressly waives its right in writing to process a grievance because the unit member is not a dues-paying member of the union. A copy of the waiver shall be provided to the school district's Director of Employee & Labor Relations. The union accepts its duty of fair representation but retains its right to preclude the processing of non-meritorious grievances through the steps of this grievance procedure, inclusive of arbitration.

- C. **Procedure:**

1. During all steps of this procedure, an employee may be represented by him/herself or, if he/she prefers, or by a BTU-ESP representative. Records of Counseling and written reprimands, with the exception of those issued by the Special Investigative Unit, shall be grievable only through Step II of the grievance process. Said Records of Counseling and/or written reprimands will be held in abeyance as per Article 7, Personnel Files, Section A.

2. **Informal:** In the event that an employee believes there is a basis for a grievance, he/she shall first discuss promptly the alleged grievance with the immediate supervisor within twelve (12) working days of the date on which the employee could reasonably have known of the occurrence of the event giving rise to the alleged grievance.

3. **Formal:** If, as a result of the informal discussion with the immediate supervisor, an alleged grievance still exists, a formal grievance may be invoked by the employee within five (5) working days of the informal discussion, on the form set forth in annexed Appendix A, signed by the grievant and/or by a representative of the BTU-ESP, which form shall be available from the principal or the BTU-ESP. If the grievance involves more than one school building, a group of employees, or arises from an action above the level of the immediate supervisor, it may be initially filed with the Superintendent at Step II and the informal discussion may be waived by BTU-ESP.

**D. Steps of Formal Grievance Procedure:**

1. Step I - Immediate Supervisor

The grievant may submit to the immediate supervisor, a copy of the grievance form. Within five (5) working days of receipt of the grievance, the immediate supervisor shall meet with the grievant in an effort to resolve the grievance. The immediate supervisor shall indicate the disposition of the grievance in writing to BTU-ESP within five (5) working days after such meeting.

2. Step II - Superintendent

If the grievant and/or BTU-ESP is not satisfied with the disposition of the grievance, or if no disposition has been made with the specified time limit, or if Step I has been omitted, the grievance shall be submitted to the Superintendent within five (5) working days of the disposition of the immediate supervisor or expiration of the time limit. Within five (5) working days of receipt of the grievance, the Superintendent shall meet with the grievant. Within five (5) working days of said meeting, the Superintendent shall indicate the disposition of the grievance in writing. If the parties reach a mutual resolution, it shall be in writing, signed, dated and distributed to the BTU-ESP and the School District. Upon resolution, processing of the grievance shall automatically terminate.

3. Step III - Arbitration

- a. If the grievant or BTU-ESP is not satisfied with the disposition of the grievance by the Superintendent or if no disposition has been made within the specified time limit,

the grievance may be submitted only by the BTU-ESP to arbitration before an impartial arbitrator within seven (7) working days of the written disposition at Step II or the expiration of the time limit. The seven (7) working days will commence from the postmark affixed to the Step II answer envelope by the U. S. Postal Service.

- b. Selection of Arbitrator: If the parties cannot agree to an arbitrator within five (5) working days from the notification date, that arbitration will be pursued, the arbitrator shall be selected from a list supplied by the Federal Mediation and Conciliation Service ("FMCS") or the American Arbitration Association ("AAA") in accordance with the rules of the respective organization, which rules shall likewise govern the arbitration proceedings.
- c. **Power of Arbitrator:** The arbitrator shall limit his/her decision to the application and interpretation of this Agreement and shall have no power to modify, alter, add to, or subtract from the provisions of this Agreement.
- d. **Cost of Arbitration:** If the arbitrator sustains the position of the grievant, the fees and expenses of the arbitrator, including AAA and FMCS filing fees, shall be paid by the Board. However, if the arbitrator sustains the Board's position, all fees and expenses of the arbitrator and all filing fees shall be paid by the grievant or the Union. If the decision issued by the arbitrator is not the one requested by either party, the arbitrator shall determine the distribution of his/her fees between the parties. Each party shall be responsible for any other expense it chooses to incur. The parties may, by mutual agreement, agree to share the cost of the arbitration.
- e. **Witnesses:** Employees required to testify will be made available without loss of pay; however, whenever possible they will be placed on call to minimize time lost from work. Employees who have completed their testimony shall return to work unless they are the grievant(s). Nothing provided herein shall prevent a witness from being recalled to testify. In group grievances, the group of employees shall be represented by the BTU-ESP and one member of the group.
- f. **Disclosure of Information:** Neither the Board nor the Union shall be permitted to assert in such arbitration

proceedings any grounds or rely on any evidence which has not previously been disclosed to the other party.

- g. **Award:** Both parties agree that the award of the arbitration shall be final and binding.
- h. On a case-by-case basis, the parties may mutually agree to utilize an expedited arbitration procedure. The specific procedures covering all aspects of the expedited arbitration hearing must be mutually agreed to by the parties prior to the scheduling of the hearing.
- i. The parties may, by mutual agreement, establish the procedures as well as the working guidelines to select and utilize a panel of arbitrators. The panel of arbitrators would be reviewed every two years at which time the parties, by mutual agreement, may make changes to the panel.

E. **General Provisions:**

- 1. It is the mutual intent of the Union and the Board to resolve all grievances at the earliest possible level of the grievance procedure.
- 2. **Time Limits:**
  - a. The time limits provided in this article shall be strictly observed, but may be extended only by mutual written agreement of the parties. All formal grievances must be appealed to the next step within the specified time limits. Failure to do so shall deem the grievance settled on the basis of the disposition at the previous level. Failure of the administration to respond within the specified time limits shall permit the grievant to appeal to the next level.
  - b. In the event a grievance is filed after May 15 of any year and strict adherence to the time limits may result in hardship to any party, the Superintendent shall use best efforts to process such grievances prior to the end of the school term or as soon thereafter as possible.
  - c. Whenever illness or other incapacity of either party or its representatives prevents attendance at a grievance meeting, the time limits shall be extended to permit such person(s) to be present.

3. **Grievance Meetings/Conferences:** When grievance meetings, conferences or hearings are scheduled during school hours, employees required to testify shall be excused without loss of pay or accumulated leave for that purpose.
  4. **Discrimination:** The provisions of the Agreement shall be applied without regard to race, creed, color, religion, national origin, age, sex, handicap or marital status.
  5. **Employee Rights: No Reprisals Clause:** All employees will be entitled to fair, reasonable, and equitable treatment in the processing of grievances. An employee who participates or intends to participate in any grievance as described herein shall not be subjected to discipline, reprimand, warning or reprisal because of such participation or intention. All documents, communications and records dealing with the processing of an employee's grievance will be filed separately from the employee's personnel file.
  6. **Adjustment/Resolution:** Adjustment or resolution of any grievance herein shall not be inconsistent with the provisions of this Agreement.
  7. **Expiration of the Agreement:** Notwithstanding, the expiration of this Agreement, any claim or grievance arising thereunder may be processed through the grievance procedure until resolved.
- F. **Waiver:** If the BTU-ESP waives its right to process a grievance to arbitration because the affected employee is not a dues-paying member of the union, the employee may carry the case forward but he/she may be responsible for all arbitration costs pursuant to the provisions in Section E above. Under such circumstances, the BTU-ESP shall not be responsible for arbitration costs associated with the specific grievances.

**ARTICLE 5**  
**Employee and BTU-ESP Rights**

- A. **Rights Under the Law:** Nothing contained herein shall be construed to deny to any employee rights granted under the Florida School Laws or Laws or other applicable laws and regulations.

- C. **Use of School Buildings:** The BTU-ESP and its representatives shall be permitted to hold monthly meetings with all ESP employees before school hours, after regular school hours, or at other reasonable times determined by the principal provided that such use does not disrupt school operations or result in overtime compensation to other staff who may be required to be present while the school remains open for use. If rental is charged, it shall be in accordance with Board policy.
- D. **Use of School Facilities and Equipment:** The BTU-ESP and its representatives may, upon approval of the principal, have the right to use school facilities and equipment, including computers, copiers, other duplicating and photocopying equipment, calculating and computing machines, and audiovisual equipment at reasonable times, when such equipment is not otherwise in use. Whenever possible, employees shall have the right to access CAB e-mail from designated computers at the work location with the understanding that student contact time shall not be interrupted. The Principal/Designee shall designate which computers are allowed for employee use. If more

employees exist than computers for designated use, the Principal/Designee may rotate employee use on such equipment on a basis that provides equal time among all affected employees.

**E. Use of Bulletin Boards and Mailboxes:**

1. **Bulletin Boards:** BTU-ESP shall have the right to post notices of activities and matters of BTU-ESP concern in a designated area assigned by the school principal at each school or center. Only official materials from BTU-ESP or its affiliate may be posted. (Notices endorsing any national, state or local political candidate shall be prohibited.)
2. **Mail Services:** BTU-ESP may use the School Board mail service, including employee mailboxes, for official communication to education support professionals, provided the BTU-ESP complies with all provisions of the Private Express Statutes, including postage requirements. The parties agree that should the Private Express Statutes change regarding required postage, this provision shall be modified accordingly. BTU-ESP and the Board shall develop guidelines for this service and for appropriate charges prior to implementing the use of the mail service.

  - d. A third violation of the provisions outlined in subsection A above, shall result in a six-month suspension of the District electronic mail privileges to the offender. The BTU-ESP

President and the Director of Employee & Labor Relations shall be notified when such action is taken.

- e. A fourth violation of the provisions outlined in subsection A above, shall result in permanent suspension of the District electronic mail privileges to the offender. The BTU-ESP President and the Director of Employee & Labor Relations shall be notified in writing when such action is taken.
- F. **Transaction of BTU-ESP Business:** Duly authorized representatives of the BTU-ESP may, with the approval of the principal, be permitted to transact official BTU-ESP business on school property at all reasonable times, provided that this shall not interfere with or disrupt normal school operations.
- G. **Board Furnished Materials:** The Board agrees to make available to the BTU-ESP, Board agendas furnished other organizations and minutes of Board meetings; names and addresses, and telephone numbers of all employees; salaries paid thereto and years of service; and other such specific publicly available information, as will assist BTU-ESP in developing intelligent, accurate, informed and constructive programs on behalf of the employees, together with information which may be necessary for the BTU-ESP to process any grievance.

- J. **Payroll Deduction:** The Board shall, upon written authorization of the employee, deduct BTU-ESP dues. The BTU-ESP shall furnish, distribute, and process authorization forms, said forms to be filed by BTU-ESP with the Payroll Department. Employees who desire to become members of the BTU-ESP shall file their authorization form with the BTU-ESP. Pursuant to such authorization, the Board shall deduct such annual sum as authorized in equal payments according to a schedule mutually agreed to by the parties from the employees regular salary check, beginning with the first pay check in the pay period following date of

authorization for new members. Such authorization shall continue in effect from month to month, thereafter unless revoked by the employees in writing to the BTU-ESP and to the Payroll Department, not less than thirty (30) days prior to the next payroll cutoff date. The deductions shall be remitted not less frequently than monthly to the BTU-ESP, with a list of members and the amount deducted year-to-date.

The right to such dues deduction shall be granted exclusively to the BTU-ESP and shall not be granted to any other employee organization seeking to represent employees in the bargaining unit. Upon appropriate written authorization from the employee, the Board shall deduct from the salary of the employee and make appropriate remittance for annuities, credit union, savings bonds, charitable donations, insurance, BTU-ESP special services programs, or any other plans or programs approved by the BTU-ESP and the Board as a part of this Agreement or additional programs approved by the Board that are not a part of this Agreement.

- K. **Non-Reprisal Clause:** An employee shall not be subject to discipline, reprimand, warning, reprisal or harassment because of his/her participation in BTU-ESP activities and/or participation in the grievance (Article 4) process. All grievances or complaints arising from this provision shall be processed through procedures established under Chapter 447 of Florida Statutes.
- L. **BTU-ESP Exclusivity:** The rights granted to BTU-ESP in this agreement shall be granted to BTU-ESP exclusively as the sole and exclusive bargaining agent and shall not be granted to any employee organization seeking to represent employees in the bargaining unit.
- M. Principals or other appropriate administrators shall be responsible for immediately reporting to the Superintendent, through Special Investigative Unit, any person who (1) commits assault or battery upon any employee, or upbraids, abuses or insults any employee during employment, on school property or at a school activity, and (2) any person who is not otherwise subject to the rules and regulations of the school who creates a disturbance on the property or grounds of any

school, or who commits any act which interrupts the orderly conduct of a school or any activity thereof. The Special Investigative Unit shall make an immediate investigation. If the investigation indicates that the charges are warranted, the Superintendent shall assist the insulted person in filing charges against the individual who committed the insult/assault.

- N. The Board agrees to furnish the BTU-ESP, three times each year, November 1, February 1 and March 15, two full file information rosters of bargaining unit members, (one in alphabetical order by location - one in alphabetical order); at no cost to the BTU-ESP.
- O. The vice-president of the BTU-ESP, Local Union Executive Officer, the president of the state affiliate, and the executive officers of the national affiliate shall be granted temporary duty leave for their respective term of office. Upon return from leave the employee shall be placed in the same position held before such leave, or if such position is not available, to a substantially equivalent position within the scope of the employee's job classification. Such employee shall have the right to continue participation in the retirement system and insurance programs of the District, as well as to receive credit for salary increment, all as if in actual service to the District. The BTU-ESP shall reimburse the Board for the actual cost of such employee's salary and benefits.
- P. **Student Pick Up and Drop Off:** Education support professionals shall not be required to open and close automobile/van doors for students, load or unload children from vehicles, secure children in car seats, or load or unload student supplies. At least one (1) education support professional employee may be given the opportunity to be a member of the team. Physical restraint procedures shall be performed for the duration of the certification period for each designated team member.
- R. **Professional Development:** When it does not adversely impact the operation of the school or the school's budget, principals shall approve requests from education support professionals to receive job-related training during normal work hours that will enhance or improve their ability to perform the duties required of their job. Requests for training shall not be unreasonably denied and may be subject to the grievance procedure.

- S. **District Mandatory Child Abuse Reporting/Employee Protection:** Employees have a duty to report child abuse to the child abuse hotline at 800-962-2873 and the employee shall not be retaliated against for making such report. In addition, such information may also be reported to the principal/designee. The Confidentiality of information reported to The Department of Children and Families (DCF) shall be maintained in accordance with the Florida Statute 39.202.

In the event two (2) such files are maintained, one (1) shall be kept in the principal's or director's office at the school or other location where the employee is then employed. Each document placed into the employee's file maintained by the principal or director's office, with the exception of records of counseling and/or written reprimands issued by a school or department administrator, shall be duplicated and transmitted to the District personnel office for inclusion within the employee's file maintained at the District personnel office. The affected employee will receive a copy of the record of counseling or written reprimand. Said document(s) shall be held in abeyance unless the offending behavior recurs or other disciplinary action is taken, within one (1) year of issuance, in which case all documents will be placed in District personnel file(s). If a record of counseling or a written reprimand is held in abeyance, and the offending behavior does not recur and there is no other corrective action within one year from issuance, the original document will be delivered to the employee at the end of one year from the time of issuance. NOTE: Records of counseling and/or written reprimands based upon a serious breach of conduct which is of a criminal nature, or compromises the health and/or safety of any individual, or is issued by the Special Investigative Unit shall be grievable beyond step II. and will not be forwarded to the employee's District personnel file until completion of the grievance procedure (if exercised). - B. Letter(s) of reprimand, letters of complaints from any source, or other items detrimental to an employee's employment status, shall not be placed into an employee's personnel file until the employee has had an opportunity to read and/or sign the item. An employee's refusal to sign

any such item does not restrict the right of the Board to place these items into the appropriate personnel file. The employee's signature shall indicate only that he/she has read the item and shall not necessarily indicate agreement with its contents unless otherwise indicated. The employee shall have the right to respond to any item(s) to be placed in his/her personnel file and to have the response attached to such item(s).

- B. **Procedure:**
1. Within each school or center, the administrator or his/her administrative designee shall be responsible for evaluation of employees assigned to that school or center. Observations by a teacher may form part of the evaluation, provided that teacher has worked directly with the employee in the educational setting during the evaluation period. Evaluation of employees by any other persons shall not be conducted or condoned by the Board or District Administrator, nor will any action be taken against an employee based on such unauthorized evaluation. When teacher input indicates need for improvement, an administrative observation will be conducted as in B-4(a) of this Article.
  2. Each new bargaining unit member shall be given a copy of the evaluation form as set forth in Appendix B on or before September 30 of each year. Employees hired after September 30 shall be given a copy of the evaluation form within fifteen (15) workdays after the first day of work.
  3. Evaluations shall be conducted between October 15 and not later than one (1) week prior to the end of the school year for every permanent full-time and part-time employee. Permanent employees shall be evaluated at least once during the school year. 5. The contents of the evaluation form shall be the same as Appendix B attached.
6. Prior to the evaluator's completing the evaluation form, he/she shall conduct a post-observation conference to discuss the observation and the employee's performance. After such discussion and upon completion of the formal evaluation, the evaluator and the employee shall sign the report, with a copy to the employee before it is placed in the employee's personnel file.

The evaluator shall explain to the employee what actions may be expected if performance does not improve. In addition, the administrator shall establish a time period for employee remediation. At the completion of that date, the evaluator shall meet with the affected employee.

7. Upon request of the employee, the evaluator shall schedule a follow-up conference at which time the employee may be represented. Any change in the evaluation as a result of this conference shall result in the evaluation form being redone and attached to the original if the original is already in the employee's official personnel file. The final evaluation shall be treated in a manner consistent with this Article.
8. Failure or refusal of an employee to achieve a satisfactory level of performance or to meet the requirements of his/her job description and duties shall be adequate justification for termination of employment. Any dismissal of an employee based on unsatisfactory performance shall be limited to the causes specified in the employee's Notice of Dismissal under Article 6, Section F of this Agreement.
9. **Employee Response:** If the employee objects to the contents of his/her evaluation, he/she may place such objections in writing

B. **Harassment:** Employees shall not be subjected to harassment, abusive language, upbraiding or insults. Administrators shall not be considered in violation of this section and will remain professional at all times, even when providing input during a performance evaluation meeting with an employee.

The District and its employees shall comply with the School Board approved policy regarding Anti-Bullying and Harassment.

C. **Harassment of Steward(s):** Steward complaints under this paragraph shall not be subject to the provisions of Article Four but shall be directed to the Office of School Performance & Accountability for final binding decision. **ARTICLE 11**  
**Emergency School Closing**

When emergencies arise and the Superintendent decides to close any or all schools, the Superintendent shall immediately notify the School Board of the action taken and the reason therefore and immediately implement administrative procedures which will include announcements over local television and radio stations when such services are made available, in order to alert personnel, students, parents and the community.

Nothing in this Article shall require the Board to keep schools open in the event of severe inclement weather or when otherwise prevented by an act of God and nothing shall require educational support professionals to report to work in such circumstances.

When one (1) or more schools or school offices are officially closed by the Superintendent, the employees are not required to report; no leave days previously arranged by an employee will be deducted for such emergency days.

When the emergency closing results in a day or days off for employees, necessary amendments to the calendar shall be made to coincide with the amendments to the calendar for instructional personnel. During the time of a declared emergency, educational support professionals shall be eligible for Declared Emergency Leave in accordance with School Board Policy 4412.

**ARTICLE 12**

If the investigation sustains that a documented pattern of abuse does exist the employee may be subject to disciplinary action as per Article 9.

**MEMORANDUM OF UNDERSTANDING BETWEEN  
THE SCHOOL BOARD OF BROWARD COUNTY AND  
THE BROWARD TEACHERS UNION-EDUCATION SUPPORT PROFESSIONALS**

The School Board of Broward County (SBBC) shall implement a Broward Teacher Corp Program in which the District provides funding support for programs to assist education support professionals in becoming highly qualified educational support personnel or educators. Selected education support professionals shall be offered opportunities to participate in the Education Support Professional to Teacher Assistant or Education Support Professional to Teacher Programs. The Broward Educational Consortium partners with SBBC to design and develop courses to support H.R. 1 Section 1119, *No Child Left Behind Act of 2001*, Federal mandate and to ensure that education support professionals meet qualifications to be education support professionals/teachers in a Title I school.

1. Education Support Professionals must be full-time employees in Broward County Title I Schools.
2. Instructional education support professionals shall be selected based upon the following, listed in order of priority. After instructional education support professionals have been selected, and additional slots are available, non-instructional education support professionals may be selected based upon the following, listed in priority order:
  - a. Education support professionals must meet the higher education institution entry requirements including submission of required application documents before established deadlines.
  - b. Education support professionals must be currently employed in an Upward Bound Title I school.
  - c. Education support professionals must be currently employed in a Title I school.
  - d. Education support professionals who have the highest overall GPA on the most recent college transcript and then, in the case of a tie, those education support professionals who have the highest bargaining unit seniority.
3. Program completion shall occur when the employee provides documentation that he/she has fulfilled all course work requirements outlined by the higher education institution.

4. After successful completion of the program, provided the individual meets the District's employment standards, the employee may be assigned as a teacher assistant or teacher to work/teach in a Title I school for a period equal to the period of time in the Broward Teacher Corp. The employee must remain employed in a Title I school unless involuntarily reassigned to a position in a non-Title I school. If the employee cannot be immediately assigned as a teacher to a Title I school, the employee's commitment period shall be postponed to pay back tuition cost. The employee shall be required to accept a Title I assignment when offered and fulfillment of any commitments shall begin when the Title I assignment begins.
5. After completing the Broward Teacher Corps program, an employee must commit to teaching/working as a teacher or teacher assistant in a Broward County Title I school for the same period of time that the Board paid his/her tuition in the Broward Teacher Corp. If he/she does not, he/she must pay back partial or full tuition costs paid by the district depending on how many years he/she worked in a District Title I school. (Example: If an employee participates for two years and decides to leave a Title I school after one year, he/she must pay back 50% of the tuition costs to the district.) Tuition reimbursement shall be based on a per credit hour basis.
6. If the employee does not complete the training program, the employee shall reimburse the District for 100% of the training cost incurred. Employees shall not be required to pay back tuition costs if the employee has a serious medical problem that prevents the employee from completing the program, which is verified by a physician of the employee's choice. The Board may require a subsequent exam by a Board selected physician at its expense. In addition, teachers or education support professionals shall not be required to pay back tuition costs if they are laid off, terminated, requested to resign, or involuntarily transferred on the basis of seniority.
7. An approved medical, professional leave nor personal leave will be accepted toward fulfillment of this obligation. Nor will such leaves be considered as a violation of the employee's obligation. The employee shall be required to complete their commitment period or training upon return from such leaves.
8. Employees who participate in this program shall be required to sign a Promissory Note agreeing to the reimbursement provision stated above.
9. Employees shall not be required to pay back tuition cost if; (1) the Board chooses to discontinue the Broward Teacher Corp program before completion and/or (2) the employee chooses not to continue the program in any year that the full tuition cost is not paid, provided the program paid full tuition cost in the first year of enrollment. If either or both of the situations above shall occur the Board shall not be required to fulfill any of the obligations contained herein for those employees.

10. Employees who enroll in a program that in the first year of enrollment does not offer full tuition payment shall be required to complete the program regardless of changes in reimbursements made by the district, provided the program is not discontinued.
11. These terms and conditions shall remain in effect should the education support professional become a teacher.

10/24/02

**MEMORANDUM OF UNDERSTANDING BETWEEN THE SCHOOL BOARD OF  
BROWARD COUNTY, FLORIDA AND THE BROWARD TEACHERS UNION-  
EDUCATION SUPPORT PROFESSIONALS**

The School Board of Broward County, Florida and the Broward Teachers Union-Education Support Professionals agree to the following:

1. For the 2012-2013 school year, on one early release day during the second semester, newly hired ESP employees shall be assigned to attend a joint orientation program collaboratively developed by the District and BTU-ESP.
2. For the 2013-2014 school year, on one early release day in the first semester and one early release day in the second semester, newly hired ESP employees shall be assigned to attend a joint orientation program collaboratively developed by the District and BTU-ESP.
3. This agreement is in effect for the 2012-2013 and 2013-2014 school years only. The program may be extended with mutual agreement of the parties.

**MEMORANDUM OF UNDERSTANDING BETWEEN THE SCHOOL BOARD OF  
BROWARD COUNTY, FLORIDA AND THE BROWARD TEACHERS UNION-  
EDUCATION SUPPORT PROFESSIONALS**

The School Board of Broward County, Florida and the Broward Teachers Union-Education Support Professionals agree to implement the following steps in order to address common concerns and to reflect the past understandings of the parties in regard to provisions of the collective bargaining agreement:

1. References shall reflect the classifications of Certified Classroom Assistant and Certified Teacher Assistant wherever the terms should be applied in the collective bargaining agreement in place of titles that are no longer active. When the parties agree to the appropriateness of references within the collective bargaining agreement, they have the authority to make those changes in the collective bargaining agreement without the need for ratification by members of the bargaining unit or approval by the School Board.
2. Those salary schedules for pay grades that no longer apply to Education Support Professionals who have been reclassified as Certified Classroom Assistants and Certified Teacher Assistants shall be removed from the collective bargaining agreement and shall no longer be in effect whenever there are no longer any employees assigned to one of those specific salary schedules.
3. The parties agree to refer the issue of layoff procedures to the labor/management committee to recommend procedures that may reduce the number of ESP employees who are laid off and later rehired by the Board and increase the efficiency of the recall notification process. The goal of the committee's recommendations shall be to reduce the insecurity of employment with the Board and to reduce the cost of administering layoff procedures and associated benefits.
