

CONSENT AND RELEASE

In exchange for valuable consideration, the receipt of which is acknowledged, the undersigned identified in Schedule 1 ("Licensor") hereby grants to the MLB Club identified in Schedule 2 ("Club"), on its own behalf and on behalf of the "MLB Entities" (as defined below), the rights to use the intellectual property identified in Schedule 3 ("IP") for the period of time identified in Schedule 4 ("Term") and for the use detailed in Schedule 5

Licensor acknowledges that it shall have no right of approval of the Use, including inclusion of the IP therein, and hereby releases Club, Major League Baseball Properties, Inc., MLB Advanced Media, L.P., the Office of the Commissioner of Baseball, the Major League Baseball member clubs, the MLB Network, LLC, and such entities' respective current, former and future owners, general and limited partners, members, shareholders, affiliates, directors, officers, employees, agents, representatives, contractors, sponsors, licensees, advertisers, and telecast partners (collectively, "MLB Entities") from any claim of right in respect of the Use of the IP during the Term.

Licensor represents and warrants that: (i) the individual signing this Agreement has the full right and authority to enter into this Agreement; (ii) the consent or permission of no other person or entity is necessary to grant the rights granted herein; (iii) the Use will not violate any copyright, trademark or service mark, proprietary right, common law or other right of any third party, or violate any applicable law; (iv) it has not and will not grant any rights to any third party that might limit, diminish, or impair the rights granted under this Agreement; and (v) it will indemnify and hold harmless the MLB Entities from and against any and all loss, costs, liability, damages, or claims of any nature, including, but not limited to, attorneys' fees, arising from any breach or alleged breach of this Agreement, including the representations and warranties contained herein.

Any dispute, claim or cause of action arising out of or in any way related to this Agreement shall be settled by mandatory, confidential, final and binding arbitration held in New York and administered by the American Arbitration Association in accordance with its then current commercial arbitration rules. Except as may be required by law, neither a party nor an arbitrator may disclose the existence, content or results of any arbitration hereunder without the prior written consent of the other party. Any award and any judgment confirming it only applies to the arbitration in which it was awarded and cannot be used in any other case except to enforce the award itself. The arbitrator will have no authority to award punitive, consequential or other monetary damages not measured by the prevailing party's actual damages, except as may be required by statute. Either party also may, without waiving any remedy under this Agreement, seek from any court of competent jurisdiction located in New York County, New York State, any interim or provisional relief that is necessary to protect the rights or property of that party, pending the establishment of the arbitral tribunal.
