**RE: Grant Award Acknowledgment**

Dear Mrs. Williams:

Hallandale Magnet High School has received a grant of \$30,000 from the City of Hallandale Beach. Through the generous support of the City of Hallandale Beach, this grant will be used to offer programs with the goal to improve student's knowledge and awareness of law, public safety, and security. Specifically, the school will provide a certified instructor with a law enforcement background that will deliver a coherent and rigorous content aligned with challenging academic standards and relevant technical knowledge and skills needed to prepare for education and careers in the law, public safety, and security. Instruction will provide technical proficiency and competency-based applied learning that contributes to academic knowledge, higher-order reasoning, and problem-solving skills.

Please be advised that the City of Hallandale did not require a proposal or application for this grant. We appreciate the support of your office in presenting this information to the School Board for review and approval. If you have any questions or require additional information regarding the implementation of this grant, please contact Mark Howard, Principal, at [Mark.Howard@browardschools](mailto:Mark.Howard@browardschools) or 754-323-0905.

Sincerely,

Mark Howard, Principal
