

**SUMMARY EXPLANATION AND BACKGROUND**

On or about May 11, 2017, PAMELA SYLVIA STIGGER (hereinafter “P.S.”) was arrested and charged with lewd or lascivious battery on a person 12 years of age or older but less than 16 years of age. P.S. engaged in inappropriate sexual activity with one of her former drama students, R.S. P.S. was found in the back seat of her vehicle with R.S., a 16 year old male, by Broward Sheriff’s Office deputies who observed that R.S. had no clothing covering the lower half of his body and his genitalia was exposed and still erect indicating a state of arousal. R.S. is currently a 9<sup>th</sup> grade student at Coral Springs High School. R.S. was volunteering on a drama production after which P.S. drove him and several other volunteers home at approximately 12:00 A.M. R.S. and P.S. engaged in intercourse and oral sex in her car after P.S. had dropped everyone else off. R.S. stated the sexual relationship between him and his middle school teacher, P.S., began on or about Friday, May 5, 2017, when they stayed at a Hampton Inn in Broward together for the weekend. They slept in the same bed and engaged in both intercourse and oral sex. In accordance with Broward County School Board (hereinafter “School Board”) Policy 4.9, termination is recommended.

The Administrative Counsel prepared the administrative complaint and notice was personally served on P.S. on February 22, 2018, that a recommendation for her suspension without pay and termination will be presented to the School Board on March 20, 2018, so that her deadline for requesting a hearing will expire on March 9, 2018.
