Enclosed is the annual invoice for your AdvancED® Improvement Network Membership for the 2018-19 school year. This fee covers your annual membership in the network and is a prerequisite for accreditation and/or STEM certification. In addition, membership affords access to the AdvancED® Continuous Improvement System, professional services, support resources and select products. With your institution's membership also comes complete access to the eProve™ suite of tools. As an accredited and/or STEM certified institution, please note that costs associated with the Accreditation Engagement Review (formerly External Review) and/or STEM Certification Engagement Review will be invoiced separately, as applicable. Providing high-quality reviews and meaningful evaluative feedback is a top priority.
