REQUESTED ACTION:
Approve the Terms and Conditions between The School Board of Broward County, Florida, and the 1Million Project Foundation.

SUMMARY EXPLANATION AND BACKGROUND:
Sprint's 1Million Project aims to bridge the digital divide and help close the "Homework Gap" for 1 million low-income high school students lacking reliable home internet access. All District high schools, combination schools, and centers will be able to request inventory from the 12,500 device goal (valued at about \$180 each) to be distributed through a five year period. Participating students and types of devices requested will be determined by each school.
The Terms and Conditions have been reviewed and approved as to form and legal content by the Office of the General Counsel. **[PENDING]**
