Dear Prospective Bidders,

**SUBJECT: Instructions to Bidders
Invitation to Bid: 19-049V – Technical Contract Staffing and Consulting Services**

The School Board of Broward County, Florida (SBBC) is interested in receiving bids in response to the attached Invitation to Bid (ITB) for **Technical Contract Staffing and Consulting Services**. Any questions regarding this ITB should be addressed to me, in writing, at the address stated above, or via e-mail to mayra.tobar@browardschools.com. No other School Board staff member should be contacted in relation to this ITB. Any information that amends any portion of this ITB, which is received by any method other than an Addendum issued to the ITB, is not binding on SBBC.

In order to assure that your bid is in full compliance with all requirements of the ITB, carefully read all portions of the ITB document, paying particular attention to the following areas:

- **SUPPLIER DIVERSITY OUTREACH PROGRAM (SDOP)**

SBBC has implemented a Supplier Diversity Outreach Program (SDOP) as part of the SBBC's competitive solicitation and contracting activity in accordance with School Board Policy 3330 Supplier Diversity Outreach Program. The purpose of the program is to remedy the ongoing effects of identified marketplace discrimination that the School Board has found continue to adversely affect the participation of Small/Minority and/or Women Business Enterprises ("S/M/WBE") in School Board contracts. S/M/WBE vendors utilized for this contract must be certified by SBBC's Supplier Diversity & Outreach Program Office prior to submission of bid proposal. For information on S/M/WBE Certification or Policy 3330, contact SBBC's Supplier Diversity & Outreach Program at 754-321-0550 or visit <http://www.browardschools.com/sdop>.

- **SECTION 2, SUBMITTAL REQUIREMENTS**

Section 2, Submittal Requirements, is a listing of all submittals that are required to be part of your bid package. Please make sure that all required submittals have been included as part of your bid package.

- **COMPLETION OF BIDS**

The Bid Summary Sheets upon which the Bidder submits its prices shall be completed in excel. The Bidder Acknowledgement Section should be completed in full and fully executed by an authorized representative of the Bidder. SBBC reserves the right to reject any bid which is not completed in full.

- **PRICING CORRECTIONS**

If a price correction is necessary on the Bid Summary Sheet, update the excel spreadsheet. SBBC reserves the right to not tabulate any illegible entries, pencil bids or price corrections not initialed and to reject any bid containing any of these errors.

- **DUE DATE**

Bids are due in Procurement and Warehousing Services on the date and time stated on Page 1 of the ITB. In order to have your bid considered, it must be received on or before the date and time due. Bids received after 2:00 p.m. ET on date due will not be considered.

- **STATEMENT OF "NO BID"**

If you are **not** submitting a bid in response to this ITB, please complete Section 8, Statement of "No Bid" and return via facsimile to 754-321-0533 or scan and send via e-mail to mayra.tobar@browardschools.com. Your response to the Statement of "No" Bid is very important to Procurement and Warehousing Services when creating future ITBs.

Thank you for your interest in SBBC. Again, if you have any questions, please contact me at the telephone number or email address stated above.

SECTION 3, GENERAL CONDITIONS

1. **SEALED BID REQUIREMENTS:** The "Bidder Acknowledgement Section" must be completed, signed and returned with the bid. The Bid Summary Sheet pages on which the Bidder actually submits a bid, and any pages, upon which information is required to be inserted, must be completed and submitted with the bid. **The School Board of Broward County (SBBC) reserves the right to reject any bid that fails to comply with these submittal requirements.**
 - a) **BIDDER'S RESPONSIBILITY:** It is the responsibility of the Bidder to be certain that all numbered pages of the bid and all attachments thereto are received and all Addendum released are received prior to submitting a bid without regard to how a copy of this ITB was obtained. All bids are subject to the conditions specified herein on the attached bid documents and on any Addenda issued thereto.
 - b) **BID SUBMITTED:** Completed bid must be submitted in a sealed envelope with bid number and name clearly typed or written on the front of the envelope. Bids must be time stamped in Procurement and Warehousing Services **on or before 2:00 p.m. ET on date due** for bid to be considered. Bids shall be opened at 2:00 p.m. ET on date due. Bids submitted by telegraphic or facsimile transmission shall not be accepted.
 - c) **EXECUTION OF BID:** Bid must contain an original manual signature of an authorized representative in the space provided above. All bids must be completed in ink or typewritten. **If a price correction is necessary, draw a single line through the entered figure and enter the corrected figure or use an opaque correction fluid. All price corrections must be initialed by the person signing the bid even when using opaque correction fluid.** SBBC reserves the right to reject any bid or bid item completed in pencil or any bid that contains illegible entries or price corrections not initialed.
 - d) **BIDDING PREFERENCE LAWS: ALL BIDDERS MUST COMPLETE AND SUBMIT THE LEGAL OPINION OF BIDDER'S PREFERENCE FORM IN ORDER TO BE CONSIDERED FOR AWARD.** The State of Florida provides a Bidder's preference for Florida vendors for the purchase of personal property. The local preference is five (5) percent. Bidders outside the State of Florida must have an Attorney, licensed to practice law in the out-of-state jurisdiction, as required by Section 2, Chapter 287.084, Florida Statutes, execute the "Opinion of Out-of-State Bidder's Attorney on Bidding Preferences" form and must submit this form with the submitted bid. Such opinion should permit SBBC's reliance on such attorney's opinion for purposes of complying with Chapter 287.084, Florida Statutes. Florida Bidders must also complete its portion of the form. Failure to submit and execute this form, with the bid, shall result in bid being considered "non-responsive" and bid rejected.
 2. **PRICES QUOTED:** Deduct trade discounts and quote firm net prices. Give both unit price and extended total. Prices must be stated in units to quantity specified in the bidding specification. In case of discrepancy in computing the amount of the bid, the **Unit Price** quoted shall govern.

All prices quoted shall be F.O.B. destination and freight prepaid (Bidder pays and bears freight charges). Awardee owns goods in transit and files any claims. Discounts for prompt payment: Award, if made, shall be in accordance with terms and conditions stated herein. Each item must be bid separately and no attempt is to be made to tie any item or items in with any other item or items. **Cash or quantity discounts offered shall not be a consideration in determination of award of bid(s).** If an Awardee offers a discount or offers terms less than Net 30, it is understood that a minimum of 30 days shall be required for payment, and if a payment discount is offered, the discount time shall be computed from the date of satisfactory delivery at place of acceptance and receipt of correct invoice at the office specified.
 - a) **TAXES:** SBBC does not pay Federal Excise and State taxes on direct purchase of tangible personal property. The applicable tax exemption number is shown on the Purchase Order. This exemption does not apply to purchases of tangible personal property made by contractors who use the tangible personal property in the performance of contracts for the improvement of SBBC owned real property as defined in Chapter 192, Florida Statutes.
 - b) **MISTAKES:** Bidders are expected to examine the specifications, delivery schedules, bid prices and extensions, and all instructions pertaining to supplies and services. Failure to do so shall be at Bidder's risk.
 - c) **CONDITION AND PACKAGING:** It is understood and agreed that any item offered or shipped as a result of this bid shall be new (current production model at the time of this bid) unless otherwise specified. All containers shall be suitable for storage or shipment and all prices shall include standard commercial packaging.
 - d) **UNDERWRITERS' LABORATORIES:** Unless otherwise stipulated in the Bid, all manufactured items and fabricated assemblies shall be UL listed where such has been established by UL for the item(s) offered and furnished. In lieu of the UL listing, Bidder may substitute a listing by an independent testing laboratory recognized by OSHA under the Nationally Recognized Testing Laboratories (NRTL) Recognition Program.
- e) **BIDDER'S CONDITIONS:** Bid conditions and specifications **shall not** be changed, altered or conditioned in any way. SBBC specifically reserves the right to reject any conditional bid.
 3. **SAMPLES:** Samples of items, when required, must be furnished free of expense within five (5) working days of request unless otherwise stated and, if not destroyed, will, upon request, be returned at the Bidder's expense. Bidders shall be responsible for the removal of all samples furnished within 30 days after bid opening. All samples shall be disposed of after 30 days. Each individual sample must be labeled with Bidder's name, bid number and item number. Failure of Bidder to either deliver required samples or to clearly identify samples as indicated may be reason for rejection of the bid item. Unless otherwise indicated, samples should be delivered to Procurement and Warehousing Services, The School Board of Broward County, Florida, 7720 West Oakland, Park Boulevard, Suite 323, Sunrise, Florida 33351-6704.
 4. **DELIVERY:** All deliveries shall be F.O.B. destination point. Unless actual date of delivery is specified (or if specified delivery cannot be met), show number of days required to make delivery after receipt of Purchase Order in space provided. Delivery time may become a basis for making an award (see Special Conditions). Delivery shall be within the normal working hours of the user, Monday through Friday, excluding state holidays and days during which SBBC administration is closed.
 5. **INTERPRETATIONS:** Any questions concerning conditions and specifications must be submitted in writing and received by Procurement and Warehousing Services no later than **ten working days, or as stated in the Special Conditions**, prior to the original bid opening date. If necessary, an Addendum shall be issued.
 6. **AWARDS:** In the best interest of SBBC, SBBC reserves the right to: 1) withdraw this ITB at any time prior to the time and date specified for the bid opening; 2) to reject any or all bids received when there are sound documented business reasons that serve the best interest of SBBC; 3) to accept any item or group of items unless qualified by Bidder; and 4) to acquire additional quantities at prices quoted on this ITB unless additional quantities are not acceptable, in which case, the bid sheets must be noted "BID IS FOR SPECIFIED QUANTITY ONLY." All awards made as a result of this bid shall conform to applicable Florida Statutes and shall be governed by the laws of the State of Florida, and must have venue established in the 17th Judicial Circuit Court of Broward County, Florida or the United States Court of the Southern District of Florida.
 7. **BID OPENING:** Shall be public, on the date and at the time specified on the bid form. All bids received after that time shall not be considered.
 8. **ADVERTISING:** In submitting a bid, Bidder agrees not to use the results there from as a part of any commercial advertising without prior approval of SBBC.
 9. **INSPECTION, ACCEPTANCE & TITLE:** Inspection and acceptance shall be at destination unless otherwise provided. Title to/or risk of loss or damage to all items shall be the responsibility of the Awardee until acceptance by the buyer unless loss or damage resulting from negligence by the buyer. If the materials or services supplied to SBBC are found to be defective or not conform to specifications, SBBC reserves the right to cancel the order upon written notice to the seller and return product at Awardee's expense.
 10. **PAYMENT:** Payment shall be made by SBBC after the items awarded have been received, inspected, found to comply with award specifications and free of damage or defect and properly invoiced. All payments shall be made by ACH (Automated Clearing House) for automatic deposits (credits).
 11. **CONFLICT OF INTEREST AND CONFLICTING EMPLOYMENT OR CONTRACTUAL RELATIONSHIP:** Section 112.313 (3) and (7), Florida Statutes, sets forth restrictions on the ability of SBBC employees acting in a private capacity to rent, lease, or sell any realty, goods or services to SBBC. It also places restrictions on SBBC employees concerning outside employment or contractual relationships with any business entity which is doing business with SBBC. Each Bidder is to disclose any employees it has who are also SBBC employees by submitting Attachment 1, Disclosure of Potential Conflict of Interest and Conflicting Employment or Contractual Relationship, with its Bid. Any employees identified by the Bidder when completing Attachment 1 should obtain legal advice as to their obligations and restrictions under Section 112.313 (3) and (7), Florida Statutes.
 12. **INSURANCE:** Bidder, by virtue of submitting a bid, shall be in full compliance with paragraph 20: LIABILITY INSURANCE, LICENSES AND PERMITS of the General Conditions. Insurance Requirements are shown in FORMS AND ATTACHMENTS Section of this ITB. Bidder shall take special notice that SBBC shall be named as an additional insured under the General Liability policy including Products Liability.

The insurance policies shall be issued by companies qualified to do business in the State of Florida. The insurance companies must be rated at least A-VI by AM Best or Aa3 by Moody's Investor Service. All policies must remain in effect during the performance of the contract.

13. **LICENSES, CERTIFICATIONS AND REGISTRATIONS:** As of the Bid Opening Date, Bidder must have all Licenses, Certifications and Registrations required when performing the services as described herein, in order for Bid to be considered a responsive and responsible Bid. Licenses, Certifications and Registrations required for this Bid shall be as required by Chapter 489, Florida Statutes, as currently enacted or as amended from time to time; by the State Requirements for Educational Facilities (SREF), latest version; and by Broward County, Florida. Bidder must submit a copy of all its current Licenses, Certifications and Registrations required as described herein, either with its Bid or within five working days of notification.
- An Awardee who has any License, Certification or Registration either suspended, revoked or expired after the date of the Bid Opening, shall provide notice to the Director of Procurement & Warehousing Services within five working days of such suspension, revocation or expiration. However, such suspension, revocation or expiration after the date of the Bid Opening shall not relieve the Awardee of its responsibilities under this ITB.*
14. **PATENTS & ROYALTIES:** The Awardee, without exception, shall indemnify and save harmless SBBC and its employees from liability of any nature or kind, including cost and expenses for any copyrighted, patented, or unpatented invention, process, or article manufactured or used in the performance of the contract, including its use by SBBC. If the Awardee uses any design, device, or materials covered by letters, patent, or copyright, it is mutually understood and agreed without exception that the bid prices shall include all royalties or cost arising from the use of such design, device or materials in any way involved in the work.
15. **OSHA:** The Awardee warrants that the product supplied to SBBC shall conform in all respects to the standards set forth in the Occupational Safety and Health Act of 1970, as amended, and the failure to comply with this condition shall be considered as a breach of contract.
16. **SPECIAL CONDITIONS:** The Superintendent or Designee has the authority to issue Special Conditions and Specifications as required for individual bids. Any and all Special Conditions that may vary from these General Conditions shall have precedence.
17. **NON-DISCRIMINATION:** The respondent hereby certifies and agrees that the following information is correct: In preparing its response on this project, the respondent has considered all proposals submitted from qualified, potential subcontractors and suppliers, and has not engaged in "discrimination" as defined in the District's Policy No. 3330 – Supplier Diversity Outreach Program, Section D.1; to wit: discrimination in the solicitation, selection, or commercial treatment of any subcontractor, vendor, supplier, or commercial customer on the basis of race, color, religion, ancestry or national origin, sex, age, marital status, sexual orientation or on the basis of disability or other unlawful forms of discrimination. Without limiting the foregoing, "discrimination" also includes retaliating against any person or other entity for reporting any incident of "discrimination." Without limiting any other provision of the solicitation for responses on this project, it is understood and agreed that, if this certification is false, such false certification will constitute grounds for the School District to reject the response submitted by the respondent on this project, and terminate any contract awarded based on the response. As part of its response, the respondent shall provide to the School District a list of all instances within the immediate past four (4) years where there has been a final adjudicated determination in a legal or administrative proceeding in the State of Florida that the respondent discriminated against its subcontractors, vendors, suppliers, or commercial customers, and a description of the status or resolution of that complaint, including any remedial action taken. As a condition of submitting a response to the School Board, the respondent agrees to comply with the District's Commercial Nondiscrimination Policy as described under its School Board Policy No. 3330 – Supplier Diversity Outreach Program, Section D.1.
18. **QUALITY:** All materials used for the manufacture or construction of any supplies, materials or equipment covered by this bid shall be new unless otherwise specified. The items bid must be new, the latest model, of the best quality and highest grade workmanship.
19. **LIABILITY INSURANCE, LICENSES AND PERMITS:** Where Awardees are required to enter or go onto SBBC property to deliver materials or perform work or services as a result of a bid award, the Awardee agrees to The Hold Harmless Agreement stated herein and shall assume the full duty obligation and expense of obtaining all necessary licenses, permits and insurance. The Awardee shall be liable for any damages or loss to SBBC occasioned by negligence of the Awardee (or agent) or any person the Awardee has designated in the completion of the Contract as a result of their bid.
20. **BID BONDS, PERFORMANCE BONDS AND CERTIFICATES OF INSURANCE:** Bid bonds, when required, shall be submitted with the bid in the amount specified in Special Conditions. Bid bonds shall be returned to non-Awardees. After acceptance of bid, SBBC shall notify the Awardee to submit a performance bond and certificate of insurance in the amount specified in Special Conditions. Upon receipt of the performance bond, the bid bond shall be returned to the Awardee.
21. **CANCELLATION:** In the event any of the provisions of this bid are violated by the Awardee, the Superintendent shall give written notice to the Awardee stating the deficiencies and unless deficiencies are corrected within five days, recommendation shall be made to SBBC for immediate cancellation.
22. **IRREVOCABILITY OF BID:** A bid may not be withdrawn before the expiration of 90 days from the date of bid opening.
23. **INFORMATION NOT IN ITB:** No verbal or written information which is obtained by a Bidder other than by information within this document or Addenda to this ITB shall be binding on SBBC.
24. **EXPENDITURE:** No guarantee is given or implied as to any sums payable or the quantity or scope of any award under this ITB. SBBC is not obligated to place any order for goods/services as a result of this award. Order placement shall be based upon the needs and best interest of SBBC.
25. **BILLING INSTRUCTIONS:** Invoices, unless otherwise indicated, must show Purchase Order numbers and shall be submitted in duplicate to The School Board of Broward County, Florida, Accounting and Financial Reporting Department, Attn: Accounts Payable, 600 S.E. 3rd Avenue, 7th Floor, Fort Lauderdale, Florida 33301. (Unless otherwise stated in the Special Conditions) Payment shall be made a minimum of 30 days after delivery, authorized inspection and acceptance. When vendors are directed to send invoices to a school, the school shall make direct payments to the vendor.
26. **NOTE TO VENDORS DELIVERING TO MATERIALS LOGISTICS CENTRAL (WAREHOUSE):** Receiving hours are Monday through Friday (excluding state holidays and days during which SBBC administration is closed) 7:00 a.m. to 2:00 p.m. ET.
27. **SUBSTITUTIONS:** SBBC SHALL NOT accept substitute shipments of any kind. Awardees are expected to furnish the brand quoted in their bid once awarded by SBBC. Any substitute shipments shall be returned at the Awardee's expense.
28. **FACILITIES:** SBBC reserves the right to inspect the Awardee's facilities at any time with prior notice. SBBC may use the information obtained from this in determining whether a Bidder is a responsible Bidder.
29. **ASBESTOS AND FORMALDEHYDE STATEMENT:** All building materials, pressed boards, and furniture supplied to SBBC shall be 100% asbestos free. It is desirable that all building materials, pressed boards and furniture supplied to SBBC also be 100% formaldehyde free. Bidder, by virtue of bidding, certifies by signing bid that, if awarded this bid, only building materials, pressed boards, and/or furniture that is 100% asbestos free shall be supplied.
30. **ASSIGNMENT:** Neither any award of this bid nor any interest in any award of this bid may be assigned, transferred or encumbered by any party without the prior written consent from the Director, Procurement and Warehousing Services. There shall be no partial assignments of this ITB including, without limitation, the partial assignment of any right to receive payments from SBBC.
31. **EXTENSION:** In addition to any extension options contained herein, SBBC is granted the right to extend any award resulting from this bid for the period of time necessary for SBBC to release, award and implement a replacement bid for the goods, products and/or services provided through this bid. Such extension shall be upon the same prices, terms and conditions as existing at the time of SBBC's exercise of this extension right. The period of any extension under this provision shall not be for a period in excess of six months from (a) the termination date of a contract entered into as a result of this bid or (b) the termination date under any applicable period of extension under a contract entered into as a result of this bid.
32. **OMISSION FROM THE SPECIFICATIONS:** The apparent silence of this specification and any Addendum regarding any details or the omission from the specification of a detailed description concerning any point shall be regarded as meaning that only the best available units shall be provided and the best commercial practices are to prevail, and that only materials and workmanship of first quality are to be used. All interpretations of this specification shall be made upon the basis of this agreement.
33. **SUBMITTAL OF INVOICES:** All Bidders are hereby notified that any invoice submitted as a result of the award of this bid must be in the same format as any Purchase Order released as a result of the award of this bid. **Each line of the invoice must reference a corresponding single line shown on the Purchase Order.** A single invoice line must not correspond to or commingle the cost shown on multiple Purchase Order lines. An invoice submitted that does not follow the same format and line numbering as shown on the Purchase Order shall be deemed to be not correct, and may be returned to the vendor by the Accounts Payable Department for correction. Address for submitting invoices is included on Purchase Order.
34. **PURCHASE AGREEMENT:** This bid and the corresponding Purchase Orders shall constitute the complete agreement. SBBC shall not accept proposed terms and conditions that are different than those contained in this Invitation to Bid, including pre-printed text contained on catalogs, price lists, other descriptive information submitted or any other materials. By virtue of submitting a bid, Awardee agrees to not submit to any SBBC employee, for signature, any document that contains terms and conditions that are different than those contained herein and that in the event any document containing any term or condition that differs from those contained herein is executed, said document shall not be binding on SBBC.

35. **SBBC INFORMATION SECURITY GUIDELINES:** It is the responsibility of the Awardee to read and adhere to the SBBC Information Security Guidelines when using any device connected to the SBBC's network. Following the conclusion of the contract term, all of SBBC's confidential information must be removed from Awardee's equipment and all access privileges must be revoked. Final payment shall be withheld until the Awardee has confirmed, in writing, that all SBBC's confidential information has been purged from any and all electronic technology devices that were used during this contract and were connected to the SBBC's network.
36. **PROTESTING OF BID CONDITIONS/SPECIFICATIONS:** Any person desiring to protest the conditions/specifications in this ITB, or any Addenda subsequently released thereto, shall file a notice of intent to protest, in writing, within 72 hours after electronic release of the competitive solicitation or Addendum and shall file a formal written protest within ten calendar days after the date the notice of protest was filed. Saturdays, Sundays, state holidays or days during which SBBC administration is closed shall be excluded in the computation of the 72 hours. If the tenth calendar day falls on a Saturday, Sunday, state holiday or day during which SBBC administration is closed, the formal written protest must be received on or before 5:00 p.m. ET of the next calendar day that is not a Saturday, Sunday, state holiday or day during which SBBC administration is closed. Section 3 b, Chapter 120.57, Florida Statutes, as currently enacted or as amended from time to time, states that **"The formal written protest shall state with particularity the facts and law upon which the protest is based."**
- Failure to file a notice of protest or to file a formal written protest within the time prescribed by Section 3, Chapter 120.57, Florida Statutes, or a failure to post the bond or other security required by SBBC Policy 3320, within the time allowed for filing a bond, shall constitute a waiver of proceedings. The bond shall be conditioned upon the payment of all costs which may be adjudged against the protestant in an Administrative Hearing in which the action is brought and in any subsequent appellate court proceeding. In lieu of a bond, SBBC may accept a cashier's check, official bank check or money order in the amount of the bond. If, after completion of the Administrative Hearing process and any appellate court proceedings, SBBC prevails, SBBC shall recover all costs and charges which shall be included in the Final Order or judgment, including charges made by the Division of Administrative Hearings, but excluding attorney's fees. Upon payment of such costs and charges by the protestant, the bond shall be returned. The failure to post the bond required by SBBC Policy 3320, Part VIII, as currently enacted or as amended from time to time, shall constitute a waiver of proceedings. Notices of protest, formal written protests, and the bonds required by SBBC Policy 3320, shall be filed at the office of the Director, Procurement and Warehousing Services, 7720 West Oakland Park Boulevard, Suite 323, Sunrise, Florida 33351-6704 (fax 754-321-0936). Fax filing shall not be acceptable for the filing of bonds.
37. **POSTING OF BID RECOMMENDATIONS/TABULATIONS:** ITB Recommendations and Tabulations shall be posted in Procurement and Warehousing Services and on www.demandstar.com **June 01, 2018 at 3:00 PM**, and shall remain posted for 72 hours. Any change to the date and time established herein for posting of ITB Recommendations/Tabulations shall be posted in Procurement and Warehousing Services and/or at www.demandstar.com (under the document section for this ITB). In the event the date and time of the posting of ITB Recommendations/Tabulations is changed, it is the responsibility of each Bidder to ascertain the revised date of the posting of ITB Recommendations/Tabulations. Awardee shall be required to respond to this request within three (3) days of request. If Awardee is unable to meet the lower price, SBBC shall be released from its contractual obligation to purchase the item under this contract. No response to this request shall indicate that Awardee is unable to offer item at a lower price. This action, purchasing awarded item from third party supplier, shall not hold SBBC in default of contract. Each purchase shall be considered separate and apart from each other.

63. **CONFIDENTIAL RECORDS:** Notwithstanding any provision to the contrary within this Contract, any party contracting with SBBC under this Contract shall fully comply with the requirements of Sections 1002.22 and 1002.221, Florida Statutes; Family Educational Rights and Privacy Act (FERPA), and any other state or federal law or regulation regarding the confidentiality of student information and records. Each such party agrees, for itself, its officers, employees, agents, representatives, contractors or subcontractors, to fully indemnify and hold harmless SBBC and its officers and employees for any violation of this section, including, without limitation, defending SBBC and its officers and employees against any complaint, administrative or judicial proceeding, payment of any penalty imposed upon SBBC, or payment of any and all costs, damages, judgments or losses incurred by or imposed upon SBBC arising out of a breach of this covenant by the party, or an officer, employee, agent, representative, contractor, or sub-contractor of the party to the extent that the party or an officer, employee, agent, representative, contractor, or sub-contractor of the party shall either intentionally or negligently violate the provisions of this section or of Sections 1002.22 and/or 1002.221, Florida Statutes.

Awardee agrees that it may create, receive from or on behalf of SBBC, or have access to, records or record systems that are subject to FERPA and/or HIPAA (collectively, the "Confidential Records"). Awardee represents, warrants, and agrees that it shall: (1) hold the Confidential Records in strict confidence and shall not use or disclose the Confidential Records except as (a) permitted or required by this Agreement, (b) required by law, or (c) otherwise authorized by the SBBC in writing; (2) safeguard the Confidential Records according to commercially reasonable administrative, physical and technical standards as required by law; and (3) continually monitor its operations and take any and all action necessary to assure that the Confidential Records are safeguarded in accordance with the terms of this Agreement. At the request of the SBBC, Awardee agrees to provide SBBC with a written summary of the procedures Awardee uses to safeguard the Confidential Records. A breach of these confidentiality requirements shall constitute grounds for the SBBC to terminate any Agreement with Awardee.

64. **PROPRIETARY INFORMATION:** Pursuant to Chapter 119, Florida Statutes, bids received as a result of this ITB shall not become public record until thirty (30) days after the date of opening or until posting of the recommendation for award, whichever occurs first. Thereafter, all bid documents or other materials submitted by all Bidders in response to this ITB shall be open for inspection by any person and in accordance with Chapter 119, Florida Statutes. To the extent a Bidder asserts any portion of its bid is confidential and exempt, long with specific citations of the Florida Statutes establishing the confidentiality or exemption. Failure to identify the portions of the bid claimed to be exempt or the specific statutory authority establishing the exemption shall be deemed a waiver by the Bidder that any unidentified portion of the bid is confidential or exempt from disclosure under Chapter 119, Florida Statutes.

Should a public records request for bid documents or other materials submitted by a Bidder be submitted, SBBC shall notify the contact person identified in the bid of the request in writing. The notice provided shall indicate that requested materials shall be produced unless, within ten (10) calendar days of the date of the written notification, the Awardee initiated an action in a court of competent jurisdiction to obtain an injunction or protective order prohibiting the release of the requested materials. Awardee shall name the party requesting the materials as a defendant and shall not name SBBC as a party to the action. Awardee agrees to hold SBBC harmless from any award to a plaintiff for damages, costs or attorney's fees based on nondisclosure of information asserted to be confidential and exempt. Failure to timely initiate the action shall be deemed a waiver by the Awardee that the requested information is confidential and exempt. Awardee agrees to waive any cause of action it may have against SBBC for the release of materials pursuant to a public records request except those based on the intentional or grossly negligent conduct of any employee of SBBC. Submission by a Bidder in response to this ITB shall be deemed as Bidder's consent to the foregoing conditions.

Submission of Subcontractor Utilization Plan (if applicable)

Each S/M/WBE subcontractor shall be listed in the Subcontractor Utilization Plan (as defined below) and shall be submitted with the proposal. The listing of S/M/WBEs in the Subcontractor Utilization Plan attached with each proposal shall constitute the respondent's representation to SBBC that the certified firms are technically and financially qualified and available to perform the assigned work. Failure to provide complete and accurate information shall result in the proposal being deemed non-responsive.

The Subcontractor Utilization Plan shall consist of the following documentation, which must be attached to the qualifications statement:

1. Exhibit A1.2, S/M/WBE Subcontractor Participation Schedule, which must be signed by the Submitting Firm.

If percentages vary between Exhibit A1.1 and A1.2, the percentages on Exhibit A1.1 will be used to determine participation. If Exhibit A1.2 is not signed by the subcontractor, participation attributed to the listed vendor will not be included even if they are listed on A1.1. If no percentage is listed, submitting firm will not receive points. If a percentage range is provided for a particular subcontractor on the Statement of Intent to Perform as a Certified Business Enterprise Subcontractor, the higher determined percentage in the range will be used to calculate participation and therefore, effectively, represents the prime's commitment to the contract goal.

Any participation by firms not certified by SBBC at the time of proposal submission will not count towards goal attainment. SDOP will evaluate, on a case by case basis, participation of firms certified by SBBC at the time of proposal submission, but whose certification expires prior to the evaluation of the qualification statement, to determine whether points may be allocated for the participation assigned to that firm. Bidders are strongly encouraged to contact the SBBC's Supplier Diversity Outreach Program Office at (754) 321-0550 well in advance of the date set for receipt of proposals to allow sufficient time for review and determination of eligibility and business enterprise certification.

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this Bid, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this Bid is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms “covered transaction,” “debarred,” “suspended,” “ineligible,” “lower tier covered transaction,” “participant,” “person,” “primary covered transaction,” “principal,” “proposal,” and “voluntarily excluded,” as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this Bid is submitted for assistance in obtaining a copy of those regulations.
5. The prospective lower tier participant agrees by submitting this Bid that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this Bid that it will include the clause titled “Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion-Lower Tier Covered Transactions,” without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Non-procurement List (Telephone Number).
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntary excluded from participation in this transaction, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
