-

Three of our District elementary schools were removed from the “Lowest 300 Performing Elementary Schools” category and times have been reduced accordingly for the 2018-19 school year:

- Broadview
- Colbert
- Oakridge

As a result of the 2017-18 “Lowest 300 Performing Elementary Schools” changes, transportation was able to minimize a \$300,000 cost impact to the District by adjusting the bell times 10 minutes for Lauderdale Lakes Middle, and Boyd Anderson High schools. The cost impact of the 2018-19 “Lowest 300 Performing Elementary Schools” changes is more substantial. Transportation assessed multiple options and recommends the most efficient changes that includes adding approximately 18 school buses (with 12 attendants). The cost impact is approximately \$1.2M.
