TITLE:
Revise the 2018-19 Opening and Closing School Times

REQUESTED ACTION:
Approve the revised opening and closing school times for the 2018-19 school year due to the updated "Lowest 300 Performing Elementary Schools" state mandate (see attached matrix).

SUMMARY EXPLANATION AND BACKGROUND:
During 2018-19 school year, 3 District elementary schools have been removed from the Lowest 300 Performing Elementary Schools and 7 District elementary schools added to the Lowest 300 Performing Elementary Schools category. The 3 schools that have been removed will have 1 hour instructional time eliminated from their school day. The 7 schools that have been added will have 1 hour instructional time added to their school day as directed by the state. The Lowest 300 Performing Elementary Schools are determined based on gains points each school earns in the school grade model. This list will not change even if a school's reading points change as a result of the school grades appeals' process. This is done to ensure districts can plan appropriately and in as timely a manner as possible.

SCHOOL BOARD GOALS:
 Goal 1: High Quality Instruction Goal 2: Continuous Improvement Goal 3: Effective Communication

FINANCIAL IMPACT:
School bell times are scheduled to minimize operational costs to the District whenever feasible. The District will have to add additional buses and bus attendants at a cost of approximately \$1.2M.
