Weapons, Policy 2304.1

Continuation of Summary Explanation and Background

This Act requires school districts to partner with law enforcement agencies to assign one or more Safe School Officers at every school.

In order to accommodate the new Armed Safety School Officers, Marshal/Guardian Program positions to allow these individuals to carry a weapon on campus, it is necessary to revise Policy 2304.1 accordingly.

This policy was previously discussed at a workshop on June 19, 2018 and at a Rule Development Workshop held on July 31, 2018.

The adoption of this policy was appropriately noticed on June 15, 2018.
