**GENERAL OVERVIEW:**

This item is for Board Authorization to Advertise for Bids seeking a qualified contractor for the construction of improvements at Broadview Elementary School, as approved in the 2017-2018 Adopted District Educational Facilities Plan (September 6, 2017). Project scope includes, but not limited to, fire alarm, music room renovation, art room renovation, media center improvements, HVAC improvements, electrical improvements, and building envelope improvements. Scope to provide fire sprinklers to Buildings 1, 2, 5, 78, and 85 was reviewed by the District’s Chief Fire Official. The District’s Chief Fire Official determined that the Code did not require fire sprinkler systems for Buildings 2, 5, 78, and 85 and this scope was removed from the construction documents.

Upon approval by the Board and receipt of the Letter of Recommendation to Issue a Permit, staff will advertise the bidding of this project in the newspaper and place an Invitation to Bid on DemandStar.com. The advertisement will solicit competitive, lump sum bids and is expected to result in obtaining the lowest cost for this work from a construction contractor who is pre-qualified to bid SBBC construction work.
