

## **Continuation of Summary Explanation and Background**

On May 14, 2018, Mr. Meyers sent written notice to the Facility Planning and Real Estate Department (FP&RE) stating that he intends to discontinue his participation in the ROCS program, terminate the Lease Agreement, and subsequently sell his mobile home to another certified law enforcement officer. These requests are in line with the provisions of the Lease Agreement; as defined in Section 2.08 (Occupancy) and Sections 3.05 (Termination).

On June 27, 2018, Mr. Meyers was provided written notification from the School District's Superintendent of Schools advising Mr. Meyers not to sell, convey, or transfer ownership of the residential mobile home until it is removed from the Leased Grounds. Mr. Meyers authorization could not be granted due to an ongoing evaluation of the ROCS program at the school site. Additionally, Mr. Meyers was informed that his request to terminate the Lease Agreement will be presented to SBBC at the August 7, 2018 School Board Operational Meeting.
