

Continuation of Summary Explanation and Background

Florida Atlantic University Board of Trustees (“FAU”), by and through the FAU College of Business Office of Executive Education will offer certain open enrollment (non-degree) courses to current, employed SBBC employees at a discount.

The purpose of this Agreement is to assist in the professional development of all SBBC employees who wish to advance and consider specific courses and career improvement curriculum offered by FAU College of Business Office of Executive Education.

Current SBBC employees will be eligible to enroll in (non-degree) programs and receive a 10% discount on any single employee registration or a 20% discount if three (3) or more employees register for the same course session.

No discounts will be made available on degree (for-credit) programs.
