# Core Datasets Reflecting Our Current State

	Dataset	Takeaway	
Challenges	Academic Performance Gaps	Dataset A	Half of students enter 9 <sup>th</sup> grade ready for high school; Readiness varies between student groups.
		Dataset B	We have persistent achievement gaps between subgroups.
		Dataset C	The gap between learning gains of all students compared to lowest quartile is widening at some schools.
		Dataset D	Academic year to year growth differs by mastery level; high-mastery students are less likely to show growth.
		Dataset E	Graduation rates are improving, but gaps persist across subgroups.
	Behavior Indicators	Dataset F	Three-year attendance rate trending downward.
		Dataset G	Three-year behavior incidents and discipline rates trending towards improvement.
Opportunity	Secondary and Post-Secondary Opportunity Awareness	Dataset H	Overall participation in College and Career Acceleration opportunities has increased while performance has held steady.
		Dataset I	Impact of Acceleration/Industry Certification Options
		Dataset J	Students believe that being "Life-Ready" is to be prepared and to be independent.

# The Broward Graduate Defined

Personalized Pathway	Post-Secondary Preparedness	Social & Emotional Awareness	Employability Skills
Students develop and implement a personalized academic plan specific to career exploration, pathway choices, and related work place experiences to launch their future career, post-secondary goals.	Ensuring students have the academic preparation and skills required to enter their chosen post-secondary pathway.	Encompasses stress management, resilience, managing conflict productively, powerful influencing skills, catalyzing change, teamwork and collaboration.	A group of essential abilities that involve the development of a knowledge base, expertise level and mindset that is increasingly necessary for success in the modern workplace.
