

**Recommendation for Additional Spending Authority**  
**17-005V – Occupational and Physical Therapy Services**  
**November 7, 2018**

**CONTINUATION OF SUMMARY EXPLANATION AND BACKGROUND**

The School Board of Broward County, Florida, approved an award for 17-005V - Occupational and Physical Therapy Services on June 21, 2016. The current spending authority has not been exceeded; however, additional spending is required to cover the remaining contract period of eight (8) months. This recommendation of an additional \$1,960,155 will allow the Exceptional Student Learning Support Department to continue purchasing occupational and physical therapy services through June 30, 2019, and will provide for an approximate total expenditure of \$14,960,155 for the award period.
