Project Consultant:	Rodriguez Architects, Inc.
Notice to Proceed Date:	TBD
Budget:	\$5,240,000

GENERAL OVERVIEW:

This item is for Board Authorization to Advertise for Bids seeking a qualified contractor for the construction of improvements at Deerfield Park Elementary School, as approved in the 2018-2019 Adopted District Educational Facilities Plan (September 5, 2018). Project scope includes, but not limited to, fire alarm, PE/athletic improvements, HVAC improvements, and building envelope improvements. Scope to provide fire sprinklers to Buildings 1, 2, 3, 4, 5, 7, 8, and 9 was reviewed by the District’s Chief Fire Official who determined that Building 5 was the only building that required fire sprinklers. Buildings 1, 2, 3, 4, 7, 8, and 9 did not require fire sprinklers and therefore, this scope of work was removed from the construction documents.

Upon approval by the Board and receipt of the Letter of Recommendation to Issue a Permit, staff will advertise the bidding of this project in the newspaper and place an Invitation to Bid on DemandStar.com. The advertisement will solicit competitive, lump sum bids and is expected to result in obtaining the lowest cost for this work from a construction contractor who is pre-qualified to bid SBBC construction work.
