

Continuation of Summary Explanation and Background

In the current Plant Survey, Northeast Senior High School (Parcel 92) is designated as Senior High primary use, housing grades 9-12, and is recommended for continued use. Sometime in 2005 and 2006, a Castaldi report, which the District authorized, regarding Northeast Senior High School, was submitted to the FDOE; and upon FDOE review of the report, FDOE approved the replacement of Buildings 1 through 12, 14, 15 and 18, with Buildings 13,16,17,19 through 25, 27, 85 and 86 to remain.

The planned demolition, restoration/renovation of certain buildings, and construction of classrooms at Northeast Senior High was presented to the School Board at the November 13, 2018 School Board Workshop.
