**TITLE:**  
Declaration of Five (5) Portables Located at Marjory Stoneman Douglas High School as Surplus

**REQUESTED ACTION:**  
Approve the declaration of five (5) portables located at Marjory Stoneman Douglas High School as surplus with the intent to dispose (demolition) of the portables.

**SUMMARY EXPLANATION AND BACKGROUND:**  
Section 1013.28 (2) and 274.05, Florida Statutes, directs school districts to dispose of tangible property that is obsolete, or the continued use of which is uneconomical, inefficient, or which serves no useful function. The five (5) portables depicted in Attachment 1 are recommended for demolition in the current Educational Plant Five Year Survey, 2015-2020 approved by the Florida Department of Education on June 9, 2015. This demolition is a component of the planned classroom construction replacement project regarding Building No. 12 at Marjory Stoneman Douglas High School. However, before the portables can be demolished, they must first be declared surplus to comply with the provisions of Sections 1013.28 (2) and 274.05, Florida Statutes.

**SCHOOL BOARD GOALS:**  
 Goal 1: High Quality Instruction   
 Goal 2: Continuous Improvement   
 Goal 3: Effective Communication

**FINANCIAL IMPACT:**  
Declaring these portables as surplus does not have a financial impact. However, the funds to demolish the five (5) portables have been requested as a part of the classroom construction replacement project for building No. 12 project.
