

Topic: EE-15 - Recommendation for Renewal and Additional Spending Authority - 16-113T – Recycling Services

Staff Follow Up: Staff to indicate why the timeline for renewal does not provide an opportunity to remarket services in the event the Board does not approve the renewal. Staff needs to consider bringing renewals forward six (6) months prior to expiration.

(P. Good) SBOM-050719-20

Response: Currently, the Procurement & Warehousing Services Department follows the established guidelines per the Policy 3320 for bid renewals, bringing District contracts sixty (60) days prior to its expiration.

As a takeaway, we are reviewing the School Board's recommendations, and as part of the PWS department's continuous improvement efforts will consider in our processes.
