During the last year of the charter contract, the charter school received a renewal program review as required for charter contract renewal and demonstrated academic and programmatic deficiencies.

Section 1002.33(7)(c)1, Florida Statutes, states that, “a charter school may be renewed provided that a program review demonstrates that the criteria in paragraph (a) have been successfully accomplished and that none of the grounds for nonrenewal established by paragraph (8)(a) has been documented.

Section 1002.33(8)(a), Florida Statutes, specifies the causes for non-renewal or termination of a charter. These are:

1. Failure to participate in the state’s education accountability system created in Section 1008.31, as required in this section, or failure to meet the requirements for student performance stated in the charter.
2. Failure to meet generally accepted standards of fiscal management.
3. Material violation of law.

The following are the specific deficiencies that did not meet or partially met the renewal criteria, thus contributing to the recommendation of a five-year renewal of the Charter School Agreement with mitigating language.
