

Continuation of Summary Explanation and Background

In compliance with state law, the current TRILA is between The School Board of Broward County, Florida; Broward County, and 27 Broward County municipalities. The TRILA is overseen by a 15-member Oversight Committee (OC), five each appointed by the School Board, the Broward County Commission, and the 27 Municipalities.

Section 1, Article II-Membership, of the Oversight Committee By-Laws, states that "Each appointing body shall appoint/reappoint their members for two-year terms. Each member's two-year term shall begin on the date of their official appointment by their appointing body".

Mr. Rogers was initially appointed to the OC by the School Board on June 21, 2005, and subsequently reappointed on June 19, 2007, June 16, 2009, June 7, 2011, May 7, 2013, May 5, 2015, and May 2, 2017 as one of the current five School Board representatives on the OC. As such, his term on the OC expires on May 7, 2019. In compliance with Facility Planning and Real Estate Department practices which includes coordination with the Legislative Affairs Department, staff reached out to the community to seek interest from other civically engaged individuals to serve on the OC prior to reappointing Mr. Rogers. However, these inquiries did not yield a viable candidate to replace Mr. Rogers, and he has indicated that he would like to continue to serve on the OC. Therefore, staff recommends that Roy Rogers be reappointed to the OC.
