**DUAL ENROLLMENT ARTICULATION AGREEMENT
BETWEEN THE UNIVERSITY OF FLORIDA BOARD OF TRUSTEES AND
THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA**

THIS DUAL ENROLLMENT ARTICULATION AGREEMENT (“Agreement”), between the **University of Florida Board of Trustees (the “University”, or “UF”)**, a public body corporate of the state of Florida, and The School Board of Broward County, Florida (**the “School Board”, or the “District”**), Florida, is entered into as of: _____, for the purpose of enhancing learning opportunities for qualified high school students who are attending district high schools in Broward County through the Dual Enrollment program, as encouraged by Sections 1007.22 and 1007.271, Florida Statutes.

NOW IN CONSIDERATION OF THE FOREGOING, the mutual undertakings and benefits to accrue to both parties, UF and the School Board, individually referenced as the “Party” and collectively referenced as the “Parties”, agree as follows:

I. TERM

The term of this Agreement shall commence on August 1, 2019, and shall continue until July 31, 2021 (“Term”), and if both Parties mutually agree, may be renewed for one (1) additional (2) year period. This Agreement may be terminated, with or without cause, by either party upon thirty (30) days advance written notice. Such termination shall not affect the rights and duties of the Parties under this Agreement with respect to the Dual Enrollment students enrolled in the then current UF academic semester.

II. PROGRAM REQUIREMENTS

- A. **Purpose.** The purpose of Dual Enrollment is to allow acceleration of eligible secondary students while still enrolled in school to take courses offered by UF, through its online process, that count toward high school credit and toward a university degree.
- B. **Length.** Participation in Dual Enrollment may not exceed two academic years. For the purposes of this agreement, students transition from one school year to the next in August of each year. Students are authorized to take up to 2 courses and no more than 11 credit hours per semester.
- C. **Credits.** Dual Enrollment credits may be in addition to the normal school load or a part of the student's regular load. The list of UF’s eligible Dual Enrollment courses is available in **Appendix A**, which is attached hereto and incorporated herein by reference.
- D. **Initial Eligibility Criteria.** UF agrees to permit students enrolled in District Schools, who have been certified by their school official as qualified, to enroll in the approved dual credit courses. UF retains the right to change the GPA and minimum test score requirements within its sole discretion. The District Liaison will be notified in writing if a change is made. Exceptions to these requirements may be granted on an individual basis if agreed upon in writing and signed by both Parties. Students participating in Dual Enrollment options must meet the following initial student eligibility requirements:
 - 1. Enrolled in a course of study which will fulfill requirements for high school graduation;
 - 2. 3.6 cumulative unweighted high school GPA;
 - 3. One of the following minimum standardized test scores: composite PSAT 1130, composite SAT score of 1100 or composite ACT score of 22;
 - 4. Satisfy any course prerequisites, including but not limited to placement exams; and,
 - 5. Meet any additional criteria set by the post-secondary institution.

- E. Continuing Eligibility Criteria.** Students who will graduate from high school prior to completion of the postsecondary course may not register for the course through Dual Enrollment. Exceptions to these requirements may be granted on an individual basis if agreed upon in writing and signed by both Parties. Dual Enrollment students are responsible for following UF's student code of conduct that outlines acceptable and unacceptable academic or behavioral misconduct for UF students, such behavior includes cheating and plagiarism, etc. The student code of conduct delineates appropriate disciplinary procedures and sanctions in the case of unacceptable behavior. Students may lose the opportunity to participate in the Dual Enrollment program if they are disruptive to the learning process; violate UF code of conduct or regulations and/or School Board Rules; or violate federal, state, or local laws. In addition to the requirements above, to continue in the Dual Enrollment program, students must:
1. Maintain a 3.6 cumulative unweighted high school GPA, and
 2. Maintain a 3.0 cumulative UF GPA as confirmed by the District and UF's Registrar's Office.
- F. Registration Procedures.** Documents required for each student must be submitted to UF, prior to registration and in accordance with guidelines and registration deadlines posted on the UF Dual Enrollment website. **Appendix B**, which is attached hereto and incorporated herein by reference, sets forth further details in connection with the registration procedure.
- G. Withdrawal Procedures.** All Dual Enrollment students are responsible for officially withdrawing from classes they are no longer attending in accordance with published University requirements and deadlines. Students who do not officially withdraw from a class may receive a failing grade. Such a failing grade becomes a part of their permanent transcript records and could have a negative effect on future college admissions, scholarship opportunities, and/or financial aid. All Dual Enrollment students are responsible for notifying the high school guidance counselor, in writing, prior to withdrawal from any Dual Enrollment course. All pre-registration advising, including but not limited to posted withdrawal procedures, is the responsibility of the District.
- H. Publicity.** The District may not use UF's name, logos, trademarks or images or the name or image of any employee or official of UF in any fundraising, publicity, advertising or media release without the prior written consent of UF on each occasion, which may be given only by the UF Vice President for University Relations or her designee. UF may not use the District's name, logos, trademarks or images or the name or image of any employee or official of the District in any fundraising, publicity, advertising or media release without the prior written consent of the District on each occasion.

III. ROLE OF THE UNIVERSITY

The University shall:

- A. Publish deadlines and procedures on the Dual Enrollment website.
- B. Advise students of college level expectations and procedures as delineated in the attached **Appendix C**, which is attached hereto and incorporated herein by reference.
- C. Provide advising, as appropriate, to ensure proper course placement and selection.
- D. Notify the student of his or her grades as is regularly done with University students. In addition, a document will be sent via postal mail or an electronic transmission system to the High School indicating work completed.
- E. Have a process in place for virtual instructors to comply with student IEPs and 504s as well as serve the needs of English Language Learners.
- F. Assign a letter grade to each student enrolled in a Dual Enrollment course. The letter grade assigned by the postsecondary institution shall then be posted to the high school transcript by the District pursuant to Section

1007.271(20), Florida Statutes

- G. Be responsible for making an annual report to the Commissioner of Education on the operation of the Dual Credit Enrollment program. The District will provide to the University any information requested to complete such reports.
- H. Be responsible for monitoring the quality of curriculum to ensure that instruction is consistent with the University of Florida's policies and procedures.
- I. Provide the District with a list of students registered for UF Dual Enrollment classes one week prior to the beginning of each semester. This list should include student name, student high school and the UF dual enrollment course in which the student is registered.

IV. ROLE OF THE DISTRICT

The School Board shall:

- A. Verify the enrolled students are residents of the school district and eligible for enrollment in accordance with Section 1007.271, Florida Statutes.
- B. Verify that the high school student and his/her parent(s) or guardian(s) have been counseled on the advisability of taking one or more college courses while in high school and on the specific requirements of the Dual Enrollment program. Pre-registration advising will include the curricular expectations of university-level academic work that typically exceed the work required of high school courses. Pre-registration advising will also include information regarding UF's published add/drop policies and deadlines, as well as the impact of performance in Dual Enrollment courses, which become a part of a student's permanent college transcript and are calculated into the student's permanent postsecondary GPA.
- C. Provide any required services to support a student's IEP consistent with the legal requirements for serving students with special needs in a virtual school.
- D. Provide access to computers and equipment, with internet access as necessary.
- E. Inform students and their parents about opportunities for students to participate in Dual Enrollment with the University.
- F. Designate a District Liaison to act for School Board in all matters pertaining to this Agreement and to accept and approve all deliverables and invoices.
- G. Pay UF the standard tuition rate per credit hour plus the tuition differential set forth in UF Regulation 3.0375, as amended, from the Florida Education Finance Program funds to the University. The current amount is \$149.24 per credit hour for all District students enrolled.
- H. Reimburse UF for instructional materials and tuition for all students who are registered by the end of UF's Drop/Add period, within thirty (30) days of receipt of the invoice. The District will have no obligation to pay tuition for summer terms.
- I. Provide Dual Enrollment students, free of charge, required college instructional materials in accordance with Section 1007.271(17), Florida Statutes. Instructional materials purchased by the District on behalf of Dual Enrollment students shall be the property of the District against which the purchase is charged.
- J. Award high school credit for the course(s) upon its (their) successful completion by the Dual Enrollment student and assign grade points, equivalent to those for AP/IB/AICE courses. Courses not taken for a grade are ineligible for Dual Enrollment. The Dual Enrollment Course—High School Subject Area Equivalency List published by the Florida Department of Education mandates the minimum subject area credit awarded for specific courses taken through Dual Enrollment. Courses not appearing on this list will be awarded high school elective credit with 3 University credit hours translating to 0.5 high school credits.
- K. Perform the initial screening and monitor student performance while participating in the Dual Enrollment program. The District's counselors will communicate, as needed, with UF Dual Enrollment staff in connection with student monitoring (and, if necessary, providing support for) while participating in the Dual Enrollment program.
- L. Adhere to the following guidelines for the disclosure of student records:

1. SBBC will provide UF with the records listed in this paragraph for the purpose of SBBC District School students to meet qualifications for enrollment and to provide ongoing academic advisement in dual enrollment course options and progression in dual enrollment courses at UF.
2. SBBC will provide UF with the following student records: High School Transcript, Unweighted High School Grade Point Average (GPA), and either PSAT, SAT, ACT, Advanced Placement (AP) or Postsecondary Education Readiness Test (PERT) test scores.

 1. Dual Enrollment college credit will transfer to any Florida public college or university offering a course with the same prefix and number and must be treated as though taken at the receiving institution.
 2. If students do not, upon high school graduation, attend the same college or university where they earned the Dual Enrollment credit, the application of transfer credit to general education, prerequisite, and degree programs may vary at the receiving institution.
 3. If students choose to enroll in courses that require placement exams, the students will be required to pay for any/all placement exams.

50 and above **MAC 2233***

If your major requires MAC 1105, MAC 1140, MAC 1147, or MAC2311 (or you are pre-health):

ALEKS Score The first course listed in **bold** is the course you should begin with:

0 - 34% **MAC 1105** → MAC 1140 → **MAC 1114** → MAC 2311

35 - 49% **MAC 1140** → MAC 1114 → MAC 2311
