GENERAL OVERVIEW:

This item is for Board Authorization to Advertise for Bids seeking a qualified contractor for the construction of improvements at Boulevard Heights Elementary School, as approved in the 2018-2019 Adopted District Educational Facilities Plan (September 5, 2018). Project scope includes, but not limited to, improvements to Building 4 (to include re-roofing, replacement of exterior condenser, new windows, and exterior paint), music room renovations, building envelope improvements, replacement of Building 1, HVAC improvements, and art room renovation and equipment.

Upon approval by the Board and receipt of the Letter of Recommendation to Issue a Permit, staff will advertise the bidding of this project in the newspaper and place an Invitation to Bid on DemandStar.com. The advertisement will solicit competitive, lump sum bids and is expected to result in obtaining the lowest cost for this work from a construction contractor who is pre-qualified to bid SBBC construction work. This item is being submitted in an effort to remain on track per the November 2019 baseline schedule.
