School Board Chair

CONTINUATION OF SUMMARY EXPLANATION AND BACKGROUND

The School Board of Broward County, Florida (SBBC), at the June 25, 2019 Regular School Board Meeting, approved Agenda Item L-4, authorizing staff to conduct a spot survey to amend the Educational Plant Five-Year Survey Report 2015 – 2020 (Plant Survey) to enable the sale/disposition of a 0.0112 acre portion of land at the New River Middle School site. The Florida Department of Education (FDOE) has since approved the SBBC request to amend the Plant Survey; hence this request for the SBBC to adopt Resolution # 20-99 .

If adopted by SBBC, staff will proceed with the sale/disposition of the 0.0112 acre portion of land located at the rear most easterly section of the New River Middle School site.

EXECUTIVE SUMMARY

Resolution #20-99 - Declare the Easterly 0.0112 Acre Portion of Land at the New River Middle School Site as Surplus

The New River Middle School Site (Parcel 70) located at 3100 Riverland Road, Fort Lauderdale, Florida 33312, currently consists of a total of 18 acres, and one of the few Broward County Public School (BCPS) sites located on a navigable body of water. The purpose of this Resolution is to enable BCPS staff to sale/dispose of the Easterly 0.0112-acre portion of land to the adjacent property owner whose boat dock currently encroaches on a portion of The School Board of Broward County, Florida (SBBC) owned land.

For background purposes, BCPS staff was notified of such encroachment back in 2014. Upon notification, staff conducted extensive due diligence to include ordering surveys, issuing cease and desist letters to the subject adjacent property owner, researching SBBC ownership rights as it relates to a body of water, etc. to eventually the Office of the General Counsel (OGC) pursuing litigation actions against the property owner. Throughout the due diligence process, the SBBC via closed-door attorney client meetings held on February 7, 2017, November 7, 2018, and March 5, 2019 was made aware of all the different strategies and steps taken in efforts to resolve this matter. Directions received from the SBBC in the closed-door attorney client meetings was to work towards selling the encroachment area to the adjacent property owner, hence the request to adopt Resolution #20-99.

If adopted, BCPS staff will continue to work with the OGC and SBBC cadre attorney to sale/dispose of the Easterly 0.0112-acre portion of land to the subject adjacent property owner.

Resolution # 20-99

Declare the Easterly 0.0112 Acre Portion of Land at the New River Middle School Site as Surplus

WHEREAS, Florida Statutes 1013.28, subject to the rules of the State Board of Education, allows a board to dispose of any land or real property that is, by resolution of the board, determined to be unnecessary for educational purposes as recommended in an educational plant survey; and

WHEREAS, The School Board of Broward County, Florida has determined that the Easterly 0.0112-acre portion of the New River Middle School is unnecessary for educational purposes; and

WHEREAS, The Easterly 0.0112 acre portion of the New River Middle School is currently recommended for disposition in the Educational Plant Five Year Survey Report, Broward County School District 2015-2020 (Plant Survey); and

NOW, THEREFORE, BE IT RESOLVED by The School Board of Broward County, Florida:

SECTION 1 That it is deemed that the 0.0112-acre portion of the New River Middle School located to the rear most easterly section of the property line for the property address located at 3100 Riverland Road, within the City of Fort Lauderdale, is unnecessary for educational purposes; and therefore, is hereby declared surplus and should be disposed of.

SECTION 2 That the real property is legally described in the attached Exhibit "A".

Given at Fort Lauderdale, Florida this 17th day of September 2019.

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA
