CAREER TECHNICAL PROGRAMS

Find out what your HOME SCHOOL offers! (APPLY for reassignment for a program your school does not offer)

Blanche Ely High School: (754) 322-0950

- Aerospace Technology
- Applied Information Technology
- Business Management
- Culinary Arts
- Digital Design
- Game Simulation Programming
- Engineering Pathways
- Hospitality & Tourism Mngmt
- Emergency Medical Responder
- Practical Nursing

Boyd Anderson HS: (754) 322-0200

- Culinary Arts
- Digital Design
- Applied Information Technology
- Allied Health (Nursing)
- Emergency Medical Responder
- Aerospace Technology
- Business Management
- Health & Wellness

Coconut Creek High School: (754) 322-0350

- Criminal Justice
- Entrepreneurship
- Allied Health (Nursing)
- Automotive
- Engineering Pathways
- Emergency Medical Responder

Cooper City High School: (754) 323-0200

- Automotive MLR
- Business Management
- Digital Video Technology
- Drafting
- Early Childhood Education
- Engineering Pathways
- Hospitality & Tourism Mngmt
- Marketing Management
- TV Production

Coral Glades High School: (754) 322-1250

- Allied Health (Nursing)
- Business Management
- Communications Technology
- Culinary Arts
- Early Childhood Education
- Engineering Pathways
- Game Simulation Programming
- Marketing Management

Coral Springs High School: (754) 322-0500

- Horticulture / Animal Sciences
- CyberSecurity
- Building Trades / Carpentry
- Business Management
- Communications Technology
- Culinary Arts
- Digital Media Technology
- Early Childhood Education
- Engineering Pathways
- Firefighting
- Game Simulation Programming

Cypress Bay High School: (754) 323-0350

- Allied Health (Nursing)
- Engineering Pathways
- Entrepreneurship
- Interior Design
- CyberSecurity
- Marketing Management
- TV Production

Deerfield Beach HS: (754) 322-0650

- Allied Health (Nursing)
- Business Management
- Culinary Arts
- Digital Design
- Digital Media/Multimedia Design
- Digital Video Production
- Electronic Business Enterprise
- Marketing Management
- Principles of Teaching
- TV Production

Dillard High School: (754) 322-0800

- Allied Health (Nursing)
- Applied Information Technology
- Applied Robotics
- Business Management
- Culinary Arts
- Digital Media Technology
- Engineering Pathways
- Game Simulation Programming
- Hospitality & Tourism Mngmt
- JAVA Programming
- Network Support Services

Everglades High School: (754) 323-0500

- Engineering Pathways
- Allied Health (Nursing)
- Firefighting
- Digital Design
- Communications Technology

Flanagan High School: (754) 323-0650

- Allied Health (Nursing)
- Culinary Arts
- Digital Media Technology
- Early Childhood Education
- Hospitality & Tourism Mngmt
- JAVA programming
- Marketing Management
- Principles of Teaching
- TV Production

Fort Laud. High School: (754) 322-1100

- Communication Technology
- Criminal Justice
- Culinary Arts
- Emergency Medical Responder
- Fashion Design Technology
- Firefighting
- Hospitality & Tourism Mngmt
- Marketing Management
- Tech Support Services
- TV Production

Hallandale High School: (754) 323-0900

- Business Management
- Communications Technology
- Criminal Justice
- Digital Video Technology Electronic
- Business Enterprise
- Engineering Pathways
- Health & Wellness
- Principles of Teaching

Hollywood Hills HS: (754) 323-1050

- Applied Robotics
- Business Management
- Carpentry
- Culinary Arts
- Digital Design
- Digital Video Technology
- Electronic Business Enterprise
- Engineering Pathways
- Hospitality & Tourism Mngmt
- Interior Design
- Marketing Management
- Principles of Teaching

Lauderhill 6-12: (754) 322-3600

- Engineering Pathways
- Firefighting
- Game Simulation Programming
- TV Production

M. Stoneman Douglas HS: (754) 322-2150
- Business Management
- Culinary Arts
- Digital Design
- Engineering Pathways
- Health & Wellness
- Hospitality & Tourism Mngmt
- Marketing Management
- TV Production

Nova High School: (754) 323-1650
- Adv. Manufacturing Technology
- Applied Robotics
- Culinary Arts
- Electronic Business Enterprise
- Engineering Pathways
- JAVA Programming

South Plantation HS: (754) 323-1950
- Allied Health (Nursing)
- Animal Science
- Culinary Arts
- Digital Media Technology
- Emergency Medical Responder
- Engineering Pathways
- Game Simulation Programming
- Horticulture / Landscape ops.
- Marketing Management
- Technology Support Services
- TV Production
- Web App Development

McArthur High School: (754) 323-1200
- Allied Health (nursing)
- Business Management
- Criminal Justice
- Digital Design
- Digital Media / Multimedia Design
- Digital Media Technology
- Engineering Pathways
- Game Simulation Programming
- Horticulture
- Hospitality & Tourism Mngmt
- JAVA Programming
- Principles of Teaching

Piper High School: (754) 322-1700
- Allied Health (Nursing)
- Adv. Manufacturing Technology
- Applied Information Technology
- Automotive MLR
- Business Management
- Communication Technology
- Criminal Justice
- Culinary Arts
- Digital Media Technology
- Game Simulation Programming
- Hospitality & Tourism Mngmt
- JAVA Programming
- Marketing Management
- Principles of Teaching
- TV Production

Stranahan High School: (754) 323-2100
- Allied Health (Nursing)
- Automotive MLR
- Business Management
- The CUBE: Entrepreneurship
- Culinary Arts
- Digital Design
- Digital Media Technology
- Digital Video Technology
- Emergency Medical Responder
- Engineering Pathways
- Hospitality & Tourism
- JAVA Programming
- Principles of Teaching
- TV Production

Miramar High School: (754) 321-1350
- Aerospace Technology
- Aviation: A&P Technician
- Allied Health (Nursing)
- Applied Information Technology
- Criminal Justice
- Culinary Arts
- Digital Media Technology
- Engineering Pathways
- Floral Design & Marketing
- Hospitality & Tourism Mngmt
- JAVA Programming
- Marketing Management
- Principles of Teaching

Plantation High School: (754) 322-1850
- Aerospace Technology
- Allied Health (Nursing)
- Building Trades / Carpentry
- Business Management
- Culinary Arts
- Digital Design & JAVA Program
- Early Childhood Education
- Engineering Pathways
- Horticulture
- Principles of Teaching

Taravella High School: (754) 322-2300
- Allied Health (Nursing)
- Business Management
- Criminal Justice
- Culinary Arts
- Drafting
- Digital Media Technology
- Early Childhood Education
- Engineering Pathways
- Fashion Design Technology
- JAVA Development
- Marketing Management
- Principles of Teaching
- TV Production / Dig Video Tech

Monarch High School: (754) 322-1400
- Applied Information Technology
- Digital Media
- Early Childhood Education
- Engineering Pathways
- Game Simulation Programming
- Hospitality & Tourism Mngmt
- Marketing Management
- Tech Support Services

Pompano Beach HS: (754) 322-2000
- Game Simulation Programming
- International Business
- Principles of Teaching
- Scientific Visualization
- Digital Video Production

West Broward High School: (754) 323-2600
- 3D Animation
- Communication Technology
- Culinary Arts
- Digital Design & Media Tech
- Early Childhood Education
- Emergency Medical Responder
- Engineering Pathways
- JAVA Programming
- Marketing Management
- Principles of Teaching
- TV Production
- Veterinary Assisting

Northeast High School: (754) 322-1550
- Applied Information Technology
- Digital Media Technology
- Energy Generation Technician
- Industrial BioTechnology
- JAVA Programming
- Marketing Management

South Broward HS: (754) 323-1800
- Communication Technology
- Culinary Arts
- Digital Media Technology
- Early Childhood Education
- Engineering Pathways
- Game Simulation Programming
- Global Logistics
- Hospitality & Tourism Mngmt
- Maritime Technology
- Outboard Marine Service Tech

Western High School: (754) 323-2400
- Allied Health (Nursing)
- Business Management
- Culinary Arts
- Digital Design
- Early Childhood Education
- Emergency Medical Responder
- Engineering Pathways
- Horticulture
- JAVA Programming
- Principles of Teaching
