At the August 1, 2019, 1st Budget Hearing, the Board requested a workshop on the Mental Health Plan for 2019-20. Specifically, the Board wanted to gain a clearer understanding of how grant funds earmarked to aid BCPS's recovery efforts will be allocated. The Student Support Initiatives & Recovery Division will provide an overview of how the district plans to utilize funds from Project SERV (School Emergency Response to Violence), Antiterrorism Emergency Assistance Program, Mental Health Allocation Assistance, and the Secure the Next Generation Referendum 2018 to meet the growing mental health needs of our students in Broward County Public Schools.
