Good Morning Dr. Berman,

Per our conversation just a few minutes ago please see the attached Special Assignment Contract for the off duty details which you are requesting for the first couple of weeks of the new school year. The times in the contract are the ones we have discussed and I put the dates of August 14th through August 30th 2019. This detail is prepaid and with that being said I will need payment first before I can post this detail for my officers. Also in our conversation I mentioned that the off duty details are voluntary which means that there is no guarantee that officers will sign up for this detail. I will need to split the times into two shifts. The first shift will be 7:30 a.m. to 11:30 a.m. and the second shift will be 11:30 a.m. to 3:00 p.m. In the event that shifts or days does not get filled a refund will be mailed to you. If you have any questions please do not hesitate to contact me.

Respectfully,

Deetra Council

Hi Ms. Council,

Ms. Sucher told me that due to the MSD act, she's not allowed to staff any schools. Any other ideas?

Good Afternoon Mr. Berman,

I have been out of the office since yesterday and up until Friday of last week I have not received payment. Unfortunately since I have not received payment I did not post the detail. If you want since you need the off duty detail starting tomorrow you can contact BSO to see if you can hire an off duty detail from them. The off duty detail manager name is Jennifer Sucher, 954-321-4604.
