On May 14, 2019, the Office of Facilities and Construction (OFC) presented to the School Board, several options regarding modifications to the original SMART Program Improvements at McArthur High School. Thereafter, the School Board selected Alternative 1 that entailed the demolition of Buildings 6, 7, 8 and replacement with an eighteen (18) classroom addition and TV Lab that will contain four (4) Business Education/Computer classrooms, eight (8) General/Science classrooms, one (1) Robotics Lab, one (1) Digital Media Lab, two (2) Resource Centers, one (1) Nursing Lab, one (1) TV Lab, and restrooms. Also included in this recommendation were renovations to Buildings 1 - 5, 9 - 29, 31, and 32.
