**SUMMARY EXPLANATION AND BACKGROUND:**  
The Federal Head Start program requires Head Start agencies to provide several reports annually that require approval by the Head Start Policy Council and the School Board of Broward County, Florida (SBBC). Once the reports are approved, they are made available to the public and Head Start parents. The Annual Report is a summary of program data for 2018-2019 and School Readiness Report is a summary of child development data for 2018-2019. The Program Goals and Objectives are written for a five-year period at the beginning of the grant cycle. The grant was awarded in the summer of 2019 and the Program Goals and Objectives were developed and finalized based on Community Assessment and Self-Assessment data collected by the Head Start department. The Program Goals and Objectives are reviewed annually and revised as needed. Each of these documents were approved at a Policy Council meeting held on June 3, 2019.
