LL- 1
Executive Summary
Premium Services Agreements Approval

Venture Design was created to provide fee-supported premium services to charter schools, beyond the services required by Section 1002.33, Florida Statutes. This initiative is in its seventh year of operation and is strategically aligned under the Portfolio Services Division within the Innovative Programs Design/Support Department. Surveys continue to reveal the need for premium services to be provided to charter schools as permitted by Section 1002.33(20) (b), Florida Statutes.

The attached Agreements delineate the negotiated terms as well as the structure and components that comprise the fee-supported services. The term of the Agreements is from November 6, 2019, to June 30, 2020.

The estimated positive revenue to the District for these 2019-2020 Premium Services Agreements will be based on the actual number of services requested and delivered to the pertinent charter schools.

The attached Ordered Services Chart lists pertinent charter school(s) and requested premium services for the 2019-2020 school year.

These Agreements have been reviewed and approved as to form and legal content by the Office of the General Counsel.
