## EXECUTIVE SUMMARY

### Memo of Understanding

#### Feeding South Florida with Broward County Public Schools

School Year 2019-2020

USDA allows food items served under the National School Lunch Program, selected on the serving line and not consumed by students, to be placed on a Share Table. Share Tables allow for students, who may still be hungry, the opportunity to select and consume additional items during their meal period, at no cost.

At the end of the Meal Period, any commercially processed unopened food items left on the Sharing Table can be donated to a Local Charity. Donations to Local Charities eliminate food waste.

Feeding South Florida is partnering with the School Board of Broward County (SBBC) to pick up commercially processed, unopened food items from Share Tables and deliver them to Local Charities.

The Feeding South Florida “Meal Connect Application” will be the instrument utilized by designated school personnel to track food and locate a Registered Local Charity. Once the leftover food items are documented in the Application, a Feeding South Florida Volunteer will be contacted. The Volunteer will then pick up food items and distribute to the designated Local Charity of the school’s choice.

All Feeding South Volunteers are trained in Food Safety.

The Principal or their Designee is responsible for the implementation, monitoring and maintenance of the Share Table Program. Schools interested in participating in Sharing Tables are required to attend Mandatory Training.
