EXECUTIVE SUMMARY
Construction Bid Recommendation of \$500,000 or Greater
ITB 19-140C
Maplewood Elementary School, Coral Springs
Lunacon Engineering Group, Corp.
SMART Program Renovations
Project No. P.001998

PROJECT OVERVIEW:

Delivery Method:	Design/Bid/Build
Architect(s):	Song & Associates, Inc.
Contractor(s):	Lunacon Engineering Group, Corp.
Notice to Proceed Date:	Pending Board Approval
Budget:	See below

GENERAL OVERVIEW:

This item is requesting authorization to award a Lump Sum Contract for construction of the Maplewood Elementary School SMART Program Renovations to Lunacon Engineering Group, Corp., in the amount of \$190,000. The scope of work for this project includes, but is not limited to, HVAC improvements and media center improvements.

There are two (2) separate projects with 2 separate project numbers to be performed at Maplewood Elementary School. It was determined that these 2 projects would be combined and awarded to one (1) construction company, who would be the lowest responsive and responsible bidder, meeting the specifications, terms, and conditions of the bid. Project No. P.001639 has been designed by M.C. Harry and Associates, Inc. using the Professional Services Agreement approved by the Board on June 21, 2016 (Agenda Item JJ-7). Project No. P.001998 has been designed by Song & Associates, Inc. using the Professional Services Agreement Package A, approved by the Board on December 5, 2017 (Agenda Item JJ-1). This item speaks to Project No. P.001998. These projects were bid together, but under two separate contracts (JJ-1 and JJ-2). Please see JJ-1 for corresponding bid recommendation under ITB 19-140C.

The Letter of Recommendation to Issue a Permit has been provided by the Building Department. Bids were received on August 8, 2019 from a total of four (4) bidders. This bid was advertised on June 26, 2019 with the summary below:

Potential Prequalified Planholders	Potential Prequalified M/WBE Planholders	Proposals Received	Proposals Received From M/WBE Planholders
9	4	4	3

Procurement and Warehousing Services has recommended the award of the project to Lunacon Engineering Group, Corp. as the lowest responsive, responsible bidder that met the specifications, terms and conditions of the bid (see Exhibit 2 for details).

The proposal from Lunacon Engineering Group, Corp., in the amount of \$190,000, is within the available funds and requires no additional funding to proceed with the SMART Program Renovations. Both the Designer and Atkins have deemed the bid fair and reasonable based on current market conditions, which have changed considerably since the 2014 budget development.

Staff has evaluated the various SMART scopes for this project. It was determined that the most cost and time efficient means to deliver these improvements is by a single construction contract. Staff does not recommend creating separate bid packages, "carve outs", for any of the approved scopes. The proposal received from Lunacon Engineering Group, Corp. is the most cost-effective means of delivering this project.

Lunacon Engineering Group, Corp. is a certified Minority/Women Business Enterprise (M/WBE) and has committed to M/WBE Participation of 15% for this project.

This Agreement has been reviewed and approved as to form and legal content by the Office of the General Counsel.

When Substantial Completion has been granted as evidenced by the Substantial Completion Inspection, the Project Consultant will issue a letter formally establishing the Substantial Completion Date for the Work or portion thereof.

5.01.03 Upon Substantial Completion, the Owner shall pay the Contractor an amount sufficient to increase total payments to the Contractor to the Contract Price, less any amounts attributable to liquidated damages, together with two hundred percent (200%) of the reasonable costs (as determined by the Owner at its sole discretion), for completing all incomplete work, correcting and bringing into conformance all defective and nonconforming Work and handling any outstanding or threatened claims or any other matters which could cause the Owner damage, cost, expense or delay.

5.03 **Liquidated Damages for Final Completion:**

5.03.01 If the Contractor fails to achieve final completion within 30 consecutive calendar days of the date of Substantial Completion, the Contractor shall pay the Owner the sum of: \$ 500
Five Hundred Dollars

5.03.02 In the event the Project involves more than one Milestone Date; the final completion date and liquidated damages amount for each Milestone Date shall be as follows:

Each Milestone	Five Hundred Dollars	\$500.00 per day
----------------	----------------------	------------------

 - 5.04.04 The Owner shall, subject to its rights set forth in the Contract Documents, make final payment of all sums due the Contractor within thirty (30) days of the final Approval for Payment.
 - 5.04.05 The Owner and Project Consultant may acknowledge satisfactory completion and accept the Work notwithstanding the existence of certain items of Work which are incomplete. As set forth in Article 5.03.03 of Article 5 hereof, the Owner may, but is not obligated to guarantee completion of incomplete items of Work by escrowing funds equal to two hundred (200%) percent of the estimated cost of the incomplete Work and shall establish a reasonable date by which all incomplete Work must finally be complete.

- 6.05.01 Adverse weather such as rain is not to be considered to be an Act of God unless it exceeds the ten (10) year average as published by the National Weather Service (or equivalent organization acceptable to the Owner at its sole discretion) for that time of year in Broward County.
- 6.05.02 An extension of time to complete the Work shall be determined by the Owner provided that the Contractor provides the Owner with notice in writing of the cause of said act, hindrance or delay within twenty (20) days after its occurrence.
- 6.05.03 In the event the request for extension is not made in writing within that twenty (20) day time period, Contractor acknowledges and agrees it has forever waived any and all rights to such an extension.
- 6.05.04 All extensions of time shall be authorized only by a written change order executed by the Owner and Project Consultant.
- 6.05.05 This "no damage for delay" clause will encompass any damages for delay or disruption even if the Contractor completes construction of the Work in a timely fashion in accordance with this Contract.
- 6.05.06 Damages as referenced in this "no damage for delay" shall include any type of damages that are or could be awarded by any court or arbitration panel such as, by way of general example, but not limitation, tort, contract, strict liability, consequential damages, liquidated damages and/or punitive damages.
