<b>SUMMARY EXPLANATION AND BACKGROUND:</b>
<p>On January 28, 2020, the Superintendent of Schools, recommended the replication of the District's first military leadership academy program currently at Hollywood Hills High School, to open a second location at Boyd H. Anderson High School for the 2020/21 school year. The program provides a productive learning experience for highly motivated students. Students will study in a focused learning environment guided by a team of mentors, teachers, and retired military instructors who bring unparalleled experiences to the classroom. The focus of the academy also supports students who want to expand their education through post-secondary educational pursuits, or to graduate and enter the workforce.</p> <p>This magnet program will serve students living north of Sunrise Blvd. with all services including transportation. Students south of Sunrise are eligible if they provide their own transportation.</p>
