EXECUTIVE SUMMARY
Construction Bid Recommendation of \$500,000 or Greater
ITB FY20-197
Winston Park Elementary School, Coconut Creek
Grace & Naeem Uddin, Inc.
SMART Program Renovations
Project No. P.001981

PROJECT OVERVIEW:

Delivery Method:	Design/Bid/Build
Architect:	CES Engineering Services, LLC
Contractor:	Grace & Naeem Uddin, Inc.
Notice to Proceed Date:	Pending Board Approval
Original Funding Allocation:	See below

GENERAL OVERVIEW:

This item is requesting authorization to award a Lump Sum Contract for construction of the Winston Park Elementary School SMART Program Renovations to Grace & Naeem Uddin, Inc., in the amount of \$1,259,161. The scope of work for this project includes, but is not limited to, fire sprinklers, HVAC improvements, music room renovations, art room renovation and equipment, conversion of existing space to music and/or art lab(s), and building envelope improvements. Scope to provide fire sprinklers to Buildings 1, 2, 3, 4, 5, 6, 8, and 88 was reviewed by the Task Assigned District's Chief Fire Official who determined that Building 2 was the only building that required fire sprinklers. Buildings 1, 3, 4, 5, 6, 8, and 88 did not require fire sprinklers, therefore, this scope of work was removed from the construction documents prior to bidding.

The Letter of Recommendation to Issue a Permit has been provided by the Building Department. Bids were received on March 31, 2020 from a total of eight (8) bidders. This bid was advertised on February 26, 2020 with the summary below:

Potential Prequalified Planholders	Potential Prequalified M/WBE Planholders	Proposals Received	Proposals Received From M/WBE Planholders
12	8	8	4

Procurement and Warehousing Services has recommended the award of the project to Grace & Naeem Uddin, Inc. as the lowest, responsive and responsible bidder that met the specifications, terms and conditions of the bid (see Exhibit 2 for details).

The original overall project budget for the SMART Program Renovations at Winston Park Elementary School is \$2,681,000. The proposal from Grace & Naeem Uddin, Inc., in the amount of \$1,259,161, is within the available funds and requires no additional funding to proceed with the SMART Program Renovations. In addition, the existing project funds are also sufficient to establish a 10% construction contingency in the amount of \$125,919. There is a positive financial impact to the project in the amount of \$336,400, which will be placed in the SMART Program Reserve.

The proposal from Grace & Naeem Uddin, Inc. can be awarded without requiring additional funding. The following summarizes the revised funding allocations:

Allocations of Project Funds	Revised Amount
Planning Design and Management	\$662,020
Construction Contract	\$1,259,161
Construction Contingency (10%)*	\$125,919
Construction Misc.**	\$297,500
Furnishings	\$0
Total	\$2,344,600
*Reserved for future use if required	
**Includes the following items where applicable: Off-site Improvements; Misc. Construction; Hazardous Materials Abatement; Technology Infrastructures; Utility Connection Charges; PPO Work Orders; and Portables	

Staff has evaluated the various SMART scopes for this project. It was determined that the most cost and time efficient means to deliver these improvements is by a single construction contract. Staff does not recommend creating separate bid packages, “carve outs”, for any of the approved scopes. The proposal received from Grace & Naeem Uddin, Inc. is the most cost-effective means of delivering this project.

Grace & Naeem Uddin, Inc. is a certified Minority/Women Business Enterprise-Hispanic American (M/WBE-HA) and has committed to M/WBE Participation of 15.11% for this project.

This Agreement has been reviewed and approved as to form and legal content by the Office of the General Counsel.

5.04.04 The Owner shall, subject to its rights set forth in the Contract Documents, make final payment of all sums due the Contractor within thirty (30) days of the final Approval for Payment.
