Premium Services Agreements Approval

Venture Design was created to provide fee-supported premium services to charter schools, beyond the services required by Section 1002.33, Florida Statutes. This initiative is in its eighth year of operation and is strategically aligned under the Portfolio Services Division within the Innovative Programs Design/Support Department. Surveys continue to reveal the need for premium services to be provided to charter schools as permitted by Section 1002.33(20)(b), Florida Statutes.

In consideration of the unknown duration of the changes brought forth by COVID-19, terms of services can be adjusted to the needs of the District, the charter schools and/or service providers.

The attached Agreements delineate the negotiated terms as well as the structure and components that comprise the fee-supported services. The term of the Agreements is from July 1, 2020, to June 30, 2021.

The estimated positive revenue to the District for these 2020-2021 Premium Services Agreements will be based on the actual number of services requested and delivered to the pertinent charter schools.

The attached Ordered Services Chart lists pertinent charter school(s) and requested premium services for the 2020-2021 school year.

These Agreements have been reviewed and approved as to form and legal content by the Office of the General Counsel.
